If you have multiple requests, please submit multiple forms.

Please share as many details as possible such as room location(s), type of facilities request, remodel or construction request, safety concern, or furniture request. If you have a cost estimate, that would be helpful, we will contact you for more details.

I am requesting the following facilities need:

Adequate heating and air conditioning in the Athletic Training room. (Gym 6A, 6C, & 6D). This room is used as a lab for PHED B39A, Care & prevention of Athletic injuries as well as the nearly 500 student athletes.

It is extremely difficult to assess possible concussions in a space that is to hot or too cold.

The effectiveness of the athletic trainers is adversely affected by the extreme temperatures. Portable air conditioners have not been able to provide relief.
