5H4B If circumstances do not permit the inclusion of any faculty in the contingency or emergency screening of qualified applicants, the Vice President or department/division dean must notify the College Human Resources Manager and the faculty chair. The notification shall state the reasons for not being able to include any faculty.

5H4C An appointment under emergency circumstances is valid for one semester only. The emergency hire shall be placed back into the qualified applicant pool for future consideration.

Prohibition of Incentive Compensation

[NOTE: Except as applicable to foreign students residing in foreign countries who are not eligible to receive federal student assistance.] The District shall not provide any commission, bonus, or other incentive payment based, directly or indirectly, on the success in securing enrollments or financial aid, to any person or entity engaged in any student recruiting or admission activities or in making decisions regarding the award of student financial assistance. ❖ **From current KCCD Policy 7A titled Compensation Philosophy**

7A Compensation Philosophy Statement (Added July 13, 2006)

~~7A1 **Umbrella Statement**—Compensation programs will be designed and administered to support the District in its mission to provide outstanding educational programs and services that are responsive to the educational needs of diverse students and communities. The foundation of all compensation programs will be a commitment to attract, retain, and reward the quality and quantity of employees needed to meet the District’s mission. The compensation programs will be based upon principles of fairness, equity, accountability, and established standards of responsibilities and job performance. The compensation programs will be administered with sound fiscal discipline.~~

7A2 Component Statements

~~7A2A The Board will be accountable for the establishment of the compensation philosophy and for its periodic review to ensure that there is continued alignment between the District’s mission, goals, human resources objectives, and compensation philosophy. Implementation of compensation programs within the philosophy is a delegated authority of the Chancellor.~~

~~7A2B The compensation program will be based on consistent principles of equity throughout the District. This will allow for multiple pay plans to reflect both the teaching and nonteaching business of the District.~~

~~7A2C Establishing the value of compensation for faculty will reflect both the qualifications and experience of the incumbent, as well as the teaching role. Establishing the value of compensation for classified staff and management team employees will reflect both the internal value of a position and the value placed on that role in the appropriate market. The internal value will be measured through the sound and consistent application of a proven method of job classification evaluation.~~

~~7A2D The primary pay delivery mechanisms for faculty will be based on the educational qualifications of the incumbent and the years of service with the District. This does not preclude the District from establishing other bases for pay delivery. While recognizing that service and tenure yields valued experience, the primary pay delivery mechanisms for classified staff and management team employees will be based on pay for differences in job content (knowledge, accountability, and complexity/problem-solving); satisfactory performance; demonstration of behavioral competencies.~~

~~7A2E All aspects of compensation (base salary, benefits and if applicable, lump sum payments and allowances) will be considered as a total compensation package for District employees.~~

~~7A2F Total compensation, as defined above, will be targeted at a competitive level when compared to the appropriate labor markets. For faculty, this will include other~~

~~educational institutions in defined geographic locations and of similar size. For classified staff and management team employees, this will include other educational institutions in defined geographic locations and similar size, as well as other public sector employers and private sector employers in defined geographic locations. Compensation will be targeted at such a level as to allow the District to attract and retain the quality and quantity of employees it needs to meet or exceed its goals and objectives.~~

~~7A2G While recognizing the role of Bargaining Units, the District is committed to ensuring that its salary structures are up-to-date through market surveys. There will be a planned approach to ensure that internal equity is maintained.~~

~~7A2H Compensation will be affordable within the overall fiscal accountability of the Board and in the best interests of the District as an employer and provider of services.~~

❖ From current KCCD Procedure 6C2 titled Salary Administration Procedures Confidential/Management Personnel

I. Purpose

The purpose for these salary administration procedures is to provide a consistent approach to frequently repeated employment transactions including hiring, promotions, salary increases, and demotions.

II. Assignment to a Salary Grade

- A. Each confidential and management position is described in writing by means of a completed position description. The position description helps show how the job is interrelated to other positions and how it fits into the overall District organization. It assists in determining key accountabilities, decision authority, and freedom to act. The job description is useful in recruiting and hiring new employees. It also is used for job evaluation, along with organizational charts and budgetary data, as the basis for establishing the salary grade for the position.
- B. The ~~Kern Community College~~ District Confidential/Management Study Committee will meet on an as-needed basis as requested by the District Chancellor/ or designee or at least once per fiscal year to review the integrity of the entire list of positions. Each job shall be compared to definitions for know-how, problem-solving, and accountability on a consistent basis to rank the position and to assign it to a salary grade.
- C. A new position not currently assigned to a salary grade, or a position with a significant role change caused by reorganization, shall be temporarily factored by the District Chancellor/ or designee and at least two (2) representatives from the ~~Kern Community College~~ District Confidential/Management Study Committee. A temporary salary grade will be assigned until the Confidential/Management Study Committee meets to review the analysis and finalize the position salary grade appointment.

III. Movement Within a Salary Grade

- A. Salary Range Definitions:
 - 1) **Minimum:** The lowest salary paid to a position within the grade (Step 1).
 - 2) **Job Rate:** The target competitive rate for a full performance individual (Step 5). (**Note:** The Job Rate is applicable only to positions in Salary Grades 1 through 6.)
 - 3) **Maximum:** The highest salary, paid to a position within the grade (Step 7).

IV. Hiring Salary

- A. A new employee shall be hired at the minimum of the salary grade, unless for competitive reasons this is deemed by the District Chancellor or designee to be inappropriate.
- B. Over minimum salary grade hiring shall be based upon the applicant's relevant experience and a review of the current salaries of incumbents who are performing the same job.
- C. Over minimum salary grade hiring in Salary Grades 1 through 6 shall not exceed the Job Rate (Step 5).
- D. All salary offers must be preapproved by the District Chancellor ~~or~~ or designee.

V. Salary Upon Transfer

- A. A transfer is a move within the District to a position at the same salary grade as the employee's existing position.
- B. When a transfer occurs, there shall be no salary adjustment at the time of transfer, except for regular step increases.

VI. Salary Upon Placement in a Lower Salary Grade

- A. When an employee voluntarily elects to take a position in a lower salary grade (such as applying for a posted or advertised position), his/her salary will be reduced. The new salary will be at the same step in the lower grade as in the previous position.
- B. When District action (such as reassignment of job duties, position reevaluation, or reorganization) is the reason for the placement in a lower salary grade, the employee's salary may be reduced at the discretion of the District Chancellor. If the current salary is not reduced and exceeds the maximum for the new salary grade, the employee's salary will not be adjusted until the maximum salary of the new grade exceeds the current salary. (Y-rated)

VII. Salary Upon Placement in a Higher Salary Grade

- A. Step placement in a higher salary grade is dependent upon the circumstances of the promotion.
- B. When an employee is assigned to a position in a higher salary grade through an open, competitive application process, the employee shall be placed at the nearest step in the higher salary grade which provides at least a five percent ~~(5%)~~ increase, not to exceed Step 7.

- C. When an employee's position is assigned to a higher salary grade because of accretion of duties, the employee shall be placed at the same step in the higher salary grade.
- D. When an employee is assigned to a position in a higher salary grade as a result of a reorganization, the employee shall be placed at the nearest step in the higher salary grade which provides at least a five percent ~~(5%)~~ increase, not to exceed Step 7.
- E. All promotional increases require the approval of the District Chancellor or designee.

VIII. Temporary Assignments

- A. When a confidential/management employee is given a temporary assignment classified at a higher level for one year [or more if it is determined to be a "business necessity" as defined in Title 5, Section 53001(c)], the employee will be placed at the higher salary grade and nearest step assignment which provides at least a five percent ~~(5%)~~ increase, not to exceed Step 7.
- B. When a confidential/management position is temporarily filled from outside, the method of salary compensation will be on the basis of a salary grade and step assignment.

IX. Position Titles

- A. The major consideration in determining an appropriate job title for a confidential or management staff member is to communicate, both within and outside the organization, the staff member's major job responsibilities.
- B. Job titles do not determine salary grades; responsibilities do.
- C. Educational administrative positions may have any of the following titles:
 - District Chancellor
 - President
 - Associate Chancellor
 - Vice President
 - Chief Officer
 - Dean
 - Associate Dean
 - Executive Director
 - Director
- D. Classified administrative positions may have any of the following titles:

- Associate Chancellor
- Chief Financial Officer
- Vice President
- Executive Director
- Director
- Associate Director
- Assistant Director
- Controller
- Internal Auditor
- Manager

E. Confidential positions may have any of the following titles:

- Assistant Director
- Administrative Assistant
- Assistant
- Secretary
- Technician

X. Reporting Relationships

A. Any District Office position may report directly to the District Chancellor.

C. Any College position may report directly to the President.

All employees will periodically undergo a performance evaluation, at prescribed intervals.

All faculty and permanent staff members will periodically undergo a performance evaluation, in accordance with relevant collective bargaining provision.

~~6E1~~ Evaluation of Confidential and Management Employees has as its primary purpose recognition of successes and commitment to improvement of job performance as it relates to the mission of the District. The evaluation process is designed to give constructive feedback to the employee about their job performance expectations and outcomes, defining both areas of strength and needed improvement. This process is viewed as continuous and shall include, to the extent possible and where appropriate, input by faculty, classified, staff, and peers.

NOTE: This policy is legally required.

Classified employees are those who are employed in positions that are not academic positions. The employees and positions shall be known as the classified service.

The classified service does not include:

- Substitute and short-term employees who are employed and paid for less than 75 percent of the fiscal year.
- Part-time apprentices and professional experts employed on a temporary basis for a specific project, regardless of length of employment.
- Full-time students employed part-time, and part-time students employed part-time in any college work-study program or in a work experience education program conducted by the District.

The Board of Trustees shall fix and prescribe the duties of the members of the classified service. (See BP 7110 titled Delegation of Authority, Human Resources)

Before a short-term employee is employed, the Board, at a regularly scheduled meeting, shall specify the service required to be performed and certify the ending date of the service. The Board may later act to shorten or extend the ending date, but shall not extend it beyond 75 percent of an academic year.

The District Chancellor shall establish procedures to assure that the requirements of state law and regulations regarding the classified service are met.

NOTE: Education Code Section 88013 requires the Board to establish a probationary period for classified employees “which shall not exceed one year.” It is legally advised that boards establish a one year probationary period, as described here.

AP 7234 OVERTIME

References:

Education Code Sections 88027, 88028, 88029, and 88030

NOTE: The language in red ink is **legally required**, but it may be part of the collective bargaining contract rather than in these procedures. Overtime pay is a mandatory subject of bargaining for employees represented by an exclusive representative. Districts have the option of negotiating for and establishing workweeks that differ from the traditional workweek. Procedures to implement such plans should be discussed with counsel.

Overtime is defined to include any time required to be worked in excess of eight hours in any one day and in excess of 40 hours in any calendar week. If the Board of Trustees establishes a workday of less than eight hours but seven hours or more and a workweek of less than 40 hours but 35 hours or more for all of its classified positions or for certain classes of classified positions, all time worked in excess of the established workday and workweek shall be deemed to be overtime.

The foregoing provisions do not apply to:

- classified positions for which a workday of fewer than seven hours and a workweek of fewer than 35 hours has been established.
- positions for which a workday of eight hours and a workweek of 40 hours has been established, but in which positions employees are temporarily assigned to work fewer than eight hours per day or 40 hours per week when such reduction in hours is necessary to avoid layoffs for lack of work or lack of funds and the consent of the majority of affected employees to such reduction in hours has been first obtained.

For the purpose of computing the number of hours worked, time during which an employee is excused from work because of holidays, sick leave, vacation, compensatory time off, or other paid leave of absence shall be considered as time worked by the employee.

When compensatory time off is authorized in lieu of cash compensation, such compensatory time off shall be granted within 12 calendar months following the month

in which the overtime was worked and without impairing the services rendered by the District.

An employee having an average workday of less than four hours during a workweek shall, for any work required to be performed on the seventh day following the commencement of his/her workweek, be compensated for at a rate equal to 1 1/2 times the regular rate of pay of the employee designated and authorized to perform the work.

Persons serving in supervisory, administrative, or executive positions shall be excluded from these procedures regarding overtime.

"Substitute employee" means any person employed to replace any classified employee who is temporarily absent from duty. In addition, one or more substitute employees may be hired for not more than **[60 calendar days or the period that is in the collective bargaining agreement]** if the District is engaged in a procedure to hire a permanent employee to fill a vacancy in any classified position.

It is the responsibility of the Board of Trustees to provide the necessary staff for the furtherance of the educational programs and the operations of the District, but to do so in an efficient manner consistent with the responsibility of the Board to its constituency for the judicious allocation of its resources.

Abolition of Positions

The Board reserves the right, in accordance with statute and Education Code, to abolish any existing position in whole or in part, and to reduce the number of employees in such positions.

❖ From current KCCD Policy 7M titled Nepotism

7M1 The District does not prohibit the employment of relatives (or domestic partners as defined by District Collective Bargaining Agreement or Family Code Sections s 297 et seq.) in the same department or division, with the exception that they shall not be assigned to a regular position within the same department, division, or site that has an immediate family member who is in a position to recommend or influence employee decisions.

7M2 Employee decisions include appointment, retention, evaluation, tenure, work assignment, promotion, demotion, or salary of the relative (or domestic partner as defined by District Collective Bargaining Agreement or Family Code Sections s 297 et seq.).

7M3 Immediate family means spouse, domestic partner, parents, grandparents, siblings, children, grandchildren and in-laws or any other relative living in the employee's home.

7M4 The District will make reasonable efforts to assign job duties to minimize the potential for creating an adverse impact on supervision, safety, security, or morale, or creating other potential conflicts of interest.

7M5 Notwithstanding the above, the District retains the right where such placement has the potential for creating an adverse impact on supervision, safety, security, or morale, or involves other potential conflicts of interest, to refuse to place immediate family members in the same department, division, or facility. The District retains the right to reassign or transfer any person to eliminate the potential to create an adverse impact on supervision, safety, security, or morale, or involve other potential conflicts of interest.

NOTE: A procedure is **legally advised**. Local practice may be inserted in accordance with the policy adopted by the Board (see BP 7310 titled Nepotism for advisory language).

The District will allow flexibility in the application of its nepotism policy when relatives (or domestic partners as defined by Family Code Sections 297 et seq.) would be in the same department.

If two persons in the same department should marry or enter into a domestic partner relationship while both are employed by the District, they may continue their employment in the same department provided they not work in any position that would require one to be in a decision-making role relative to the other.

In those instances where developments would result in a relative/partner having recommending or decision-making responsibilities over another relative/partner, the appropriate Vice Chancellor in consultation with District Chancellor will intercede to ensure that there is no conflict of interest. Actions may include reassignment to another department.

Revised March 6, 2004~~

~~The primary purpose of the pre-placement physical is to provide a safe work environment for all District employees under the District's legal obligation. It results in a healthier employee population, improved morale, and may avoid unnecessary injuries. An offer of employment to the person selected for a position is contingent upon successful completion of a pre-placement physical exam at District expense. No candidate shall be required to participate in such an examination solely on the basis of the candidate's age or disability.~~

~~A candidate or employee must be able to do the essential job functions stated in the job description with or without accommodations. The Americans with Disabilities Act (ADA) requires that an individual with a disability is evaluated in relation to the job's essential job functions. An accommodation is any modification or adjustment to a job or work environment that will enable a qualified applicant, candidate, or employee with a disability to participate in the application process or perform essential job functions. These adjustments are made to assure that a qualified individual with a disability has rights and privileges in employment equal to those of employees without disabilities. The District will only look at the position the candidate was hired for and not for another position in the District for which the person may be suited.~~

~~Physical Examination of Employees~~

~~All candidates who have successfully completed the selection process and have been offered employment for regular positions and student workers in the areas listed above, shall be required to complete a pre-placement physical examination in order to determine their ability to perform the essential job functions.~~

~~Candidates will execute an authorization or release of medical information for this examination only after an offer of employment has been made (post-offer) and as a condition of employment. These examinations will be at the District's expense. Applicants for temporary positions designated as "high risk" or "moderate risk" may be required to complete a physical examination to determine their ability to perform the essential job functions without risk to themselves or others. Physical-agility testing for a high level of physical work may be included in the physical examination.~~

~~Campus Police officers are required under the Peace Officer Standards and Training (P.O.S.T.) to complete the Medical Examination Report (POST2-253), which will be~~

more extensive and thorough than the pre-placement physical examination mentioned above.

Reasonable accommodation of disabled applicants and employees will be provided in accordance with federal (ADA and Section 504 of the Rehabilitation Act) and state (FEHA) mandates.

The District may require a “fitness-for-duty” health examination of any regular or substitute employee where a legitimate concern exists as to the ability to continue to perform the essential job functions of the position. Such examination will be conducted by any of the licensed physicians authorized to conduct health examinations for the District at no expense to the employee.

If, as a result of such examination or screening, the candidate/employee is determined to be unable to perform the essential job functions of his/her position, the designated physician will then determine whether his/her needs can reasonably be accommodated on either a temporary and/or permanent basis.

Mental Health Screenings

The District may require an employee to obtain a psychiatric clearance whenever, in the judgment of the District, such employee shows evidence of deviation from normal mental health of such a degree as to render the employee incompetent to perform the essential job functions and “Emotional Effort” as identified in the job description. The selection of the physician and the cost of the examination shall be the responsibility of the District.

If, as a result of such examination or screening, the candidate/employee is determined to be unable to perform the essential job functions of his/her position, the designated physician will then determine whether his/her needs can reasonably be accommodated on either a temporary and/or permanent basis.

Interactive Process

The District must conduct an interactive process meeting with the candidate/employee, the employee’s immediate supervisor, the appropriate division head, and the District’s Director of Risk Management/ADA Coordinator, with input from the examining medical/mental health provider, to review the physical abilities and restrictions of the person, and determine if the position for which the person has been selected can be modified in order to accommodate his/her restrictions. The candidate must sign an authorization form for Use of Disclosure of Protected Health Information to permit the medical facility to release the information regarding physical/mental limitations. If the candidate does not release the information regarding these limitations or if it is determined the candidate cannot perform the essential job functions with or without reasonable accommodations, the employment may be denied. If the candidate has any questions on the results, he/she is free to contact the medical facility and the physician after he/she receives the results from the District.

Education Code Section 87408.6

NOTE: The language in red ink is **legally required**. Local practice may be inserted. The following is excerpted from statute.

****Note – per SB1038 (attached) Education Code Section 87408.6 statute will be changing. Current legislation was passed in the Senate on 6/14/16.**

Except as provided herein, no person shall be initially employed by the District in an academic or classified position unless the person has submitted to an examination within the past 60 days to determine that he/she is free of active tuberculosis, by a physician and surgeon licensed under the California Business and Professions Code. This examination shall consist of an X-ray of the lungs, or an approved intra-dermal tuberculin test, that, if positive, shall be followed by an X-ray of the lungs. This examination is a condition of initial employment and the expense shall be borne by the applicant.

The X-ray film may be taken by a competent and qualified X-ray technician if the X-ray film is subsequently interpreted by a physician and surgeon licensed under the Business and Professions Code.

The **[designate position]** may exempt, for a period not to exceed 60 days following termination of the pregnancy, a pregnant employee from the requirement that a positive intra-dermal tuberculin test be followed by an X-ray of the lungs.

Thereafter, employees who are skin test negative are required to undergo the foregoing examination at least once each **[time period per board policy]** upon recommendation of the local health officer for so long as the employee remains skin test negative. Once an employee has a documented positive skin test that has been followed by an X-ray, the foregoing examinations shall no longer be required and referral shall be made within 30 days of completion of the examination to the local health officer to determine the need for follow up care.

After the examination, each employee shall cause to be on file with the District a certificate from the examining physician and surgeon showing the employee was examined and found free from active tuberculosis.

This procedure shall not apply to any employee of the District who files an affidavit stating that he or she adheres to the faith or teachings of any well-recognized religious sect, denomination, or organization and in accordance with its creed, tenets, or principles depends for healing upon prayer in the practice of religion and that to the best of his/her knowledge and belief he/she is free from active tuberculosis. If at any time there should be probable cause to believe that the applicant is afflicted with active tuberculosis, he/she may be excluded from service until the [designate position] is satisfied that he/she is not so afflicted.

A person who transfers his/her employment from another school or community college District shall be deemed to meet the requirements of this procedure if the person can produce a certificate that shows that he/she was examined within the past four years and was found to be free of communicable tuberculosis, or if it is verified by the college previously employing him/her that it has a certificate on file that contains that showing.

A person who transfers his/her employment from a private or parochial elementary school, secondary school, or nursery school to the District shall be deemed to meet the requirements of this procedure if the person can produce a certificate as provided for in Health and Safety Code Section 121525 that shows that he/she was examined within the past four years and was found to be free of communicable tuberculosis, or if it is verified by the school previously employing him/her that it has the certificate on file.

NOTE: This procedure is **legally required** for classified employees and optional for academic employees. Local practice may be inserted. It is legally advised to make fingerprinting mandatory as to all employees.

Where Live Scan is not available regionally, Districts should continue to use the language of Education Code Sections 87013 and 88024. Districts should note that Live Scan is the Department of Justice's preferred method for the submission of fingerprints.

The following is excerpted from statute. **This format is not legally required.** It is provided for the convenience of Districts that want to use it.

The Chief Human Resources Officer will designate one or more employees to receive, store, disseminate and destroy criminal records furnished by the California Department of Justice and to serve as the contact for the California Department of Justice for related issues. Any such employee must be confirmed by the California Department of Justice as required by law and pursuant to California Department of Justice procedures. The Chief Human Resources Officer will notify the California Department of Justice by March 1 of each year beginning on March 1, 2012, of the individuals designated.

The Chief Human Resources Officer will ensure that criminal history record information is destroyed once the District's business need for the information is fulfilled.

Classified Employees

The District, within 10 working days of date of employment, shall require each person to be employed, or employed in, a nonacademic position to have two 8 X 8 fingerprint cards bearing the legible rolled and flat impressions of that person's fingerprints together with a personal description of the applicant or employee, as the case may be, prepared by **[a local law enforcement agency having jurisdiction in the area of the District].**

Identification cards are completed as follows [insert local practice]. The cards shall be prepared by a [local public law enforcement agency having jurisdiction in the area of the District].

The fee for the service is [as determined by the state Department of Justice to be sufficient to reimburse the department for the costs incurred in processing the application].

The fee is forwarded to the Department of Justice with two copies of applicant's or employee's fingerprint cards. The District shall collect an additional fee not to exceed two dollars (\$2) payable to the [local public law enforcement agency]. The additional fees are to be transmitted to the [city or county treasury].

The fee [is/is not] reimbursed to an applicant who submits fingerprints in accordance with these procedures and who is subsequently hired by the District within 30 days of the application. Funds not reimbursed to applicants are credited to the general fund of the District.

If the fingerprint cards forwarded to the Department of Justice are those of a person already in the employ of the Governing Board, the District pays the fee required by this section. The fee shall be a proper charge against the general fund of the District, and no fee shall be charged the employee.

Substitute and temporary employees employed for less than a school year [are/are not] exempted from these procedures.

Academic Employees

NOTE: Insert local practice; the following is an illustrative example:

Whenever the District employs a person in an academic position and that person has not previously been employed by a school or community college district in this state, the District, within 10 working days of the person's date of employment, requires the individual to have duplicate personal identification cards upon which shall appear the legible fingerprints and a personal description of the employee prepared by [a local law enforcement agency having jurisdiction in the area of the District]. The [law enforcement agency] transmits the cards, together with any applicable fee, to the Department of Justice.

The [local law enforcement agency], upon receipt of information from the Department of Justice, excerpts from the history all information regarding any convictions of the employee and shall forward that information to the District.

The District may provide the means whereby the identification cards may be completed and may charge a fee determined by the Department of Justice to be sufficient to reimburse the Department for the costs incurred in processing the application. The

amount of the fee shall be forwarded to the Department of Justice, with two copies of applicant's or employee's fingerprint cards. The District shall collect an additional fee not to exceed two dollars (\$2) payable to the **[local public law enforcement agency]** taking the fingerprints and completing the data on the fingerprint cards.

- A serious health condition that makes the employee unable to perform the functions of his/her position.

The total time provided in Family Care Leave shall run concurrently with the leave provided in Emergency Leave, Disability Pregnancy Leave, Child Rearing Leave and Child Adoption Leave.

If the need for Family Care Leave is foreseeable, the employee shall provide the District with reasonable advance notice of the need for the leave.

If the need is foreseeable due to planned medical treatment, the employee shall make a reasonable effort to schedule the treatment to avoid disruption of work schedule.

The following time constraints shall apply to Family Care Leave.

Except for special circumstances approved by the Board of Trustees, the leave must be taken in a consecutive time block rather than intermittent.

The Family Care Leave does not constitute a break in service for seniority or longevity.

During the time of leave, the District will continue to provide health and welfare benefits at the same contribution rate as an active employee.

The District is entitled to recover the cost of health and welfare benefits if the employee does not return from leave.

Sick leave and vacation shall be earned during any period of Family Care Leave when in a paid status.

Military Leave (see AP 7346 titled Employees Called to Military Duty)

Military leaves shall be granted to employees in accordance with the applicable state and federal law. Additional leave beyond the specified legal minimum may be granted upon approval of the Board of Trustees for such employees in cases where it would be to the advantage of both the District and the employee to grant such a leave.

Training periods for military reserve units should be scheduled during time school is not in session. If a training period cannot be so scheduled, permission must be obtained from the Board of Trustees after a letter from the military commander has been presented stating alternative training periods are not available.

Short-Term Leave

Employees may be authorized to attend conferences and participate in state and national professional organizations related to their subject matter fields when there is clearly an opportunity for professional growth and/or benefit to the College instructional program.

Permission to attend such functions or conferences may be granted on written request submitted to the District Chancellor well in advance of the event. The District Chancellor may refer the matter to the Board of Trustees for a decision.

If the District Chancellor approves the request, the use of a school car for transportation to conferences and/or reimbursement for other pertinent expenses may be granted.

If an employee is authorized to attend a conference or related meeting, no salary deduction will be made.

If an employee is requested to attend a conference by the District Chancellor, College President, or Board of Trustees, all pertinent expenses will be paid.

Long-Term Leave Without Pay

Each applicant for long-term professional leave of absence without pay must have served in a full-time capacity within the District not less than four consecutive years immediately preceding the beginning of the leave period. Any subsequent leaves following the first leave shall require four additional years of service.

Exceptions to the four-year requirement may be made for a leave involving a specific educational program which is clearly an opportunity for professional development and a benefit to the District. Such an educational program shall be developed cooperatively by the employee, the employee's supervisor, and the Chancellor.

Applications for leave must be filed with the District Chancellor at least 60 days prior to the beginning of the leave period. The maximum length of the leave is one year provided the employee on leave gives 60 days notification of return and provided a satisfactory substitute is available. The leave shall be approved by the District Chancellor and the Board of Trustees.

Leave of absence may be granted for advanced collegiate training, travel, business or personal reasons, and rest and recuperation. A second consecutive year may be granted for good and sufficient cause for persons on leave for rest and recuperation.

Educational Leave

Confidential/Management employees may apply for an educational leave for a maximum of two months at full compensation, six months at 90% compensation and if the leave exceeds six months compensation will be 60%.

An educational leave may be granted to engage in collegiate study or academic research that improves the competence of the staff member in his/her professional assignment or in an area recommended by the District Chancellor or the College President and Board of Trustees. (College leaves must also be approved by the District Chancellor.) Courses to be taken or academic research to be pursued shall be filed with the leave request. Study shall approximate full-time. Transcripts of record for courses or a summary of the research completed shall be filed as part of the management leave report.

Significant departures from original educational leave proposals must be filed in advance in writing with and approved by the District Chancellor.

Immediately preceding the beginning of the leave period, each educational leave applicant must have served in a full-time capacity with the District not less than four consecutive years for one to six months of leave and not less than seven consecutive years of service for seven to 12 months of leave. Subsequent leaves following the first leave shall be based on four or seven additional years of service of full-time confidential/management duty.

A basic consideration in approving an educational leave will be the reassignment of the confidential/management employee's duties at minimal cost to the District.

Educational leaves shall be limited to no more than one confidential or management employee from each campus and one from the District Office at any given time. Exceptions to this may be made with the recommendation of the District Chancellor or College President and, if applicable, approval of the District Chancellor.

Failure to complete an approved educational leave proposal will result in an appropriate reduction in educational leave compensation.

The total compensation that an employee on educational leave receives from both the District and from non-district leave related employment during the period of the leave shall not exceed the amount of the salary he/she would receive if he/she had continued on active duty in the District. This regulation does not include research or study grants or fellowships from nationally recognized foundations, approved by the Board of Trustees.

The arrangement for payment of compensation to an employee on leave is subject to governing board decision. It may be paid in the same manner as if the employee was working in the District provided, (a) the employee furnishes a suitable bond guaranteeing he/she will return to the District to render a period of service which is equal to twice the period of the leave, or (b) the employee agrees in writing to return to the service of the District and to render a period of service which is equal to twice the period of the leave following return from leave.

Each applicant who has been granted leave shall file the appropriate written report with the District Chancellor within 90 days upon returning to active duty. The report shall include an appraisal of the professional value of the activities and the manner in which the knowledge and experience may be applied for the benefit of the College, and/or District.

The Board of Trustees shall be free from any liability for the payment of any compensation damages in case of death or injury of the employee while on leave.

NOTE: Most of the language in current KCCD Policy 6G3 is shown below in black ink as these prescriptive details are more appropriately codified in this new AP 7340 titled Leaves OR may be codified in related publications such as a Management Handbook and a Confidential Employee Handbook that could be uploaded on the Human Resources intranet portal.

Vacation for Management and Confidential Employees

Management and confidential will earn two days vacation per month. A maximum of 48 days may be accumulated.

Vacation must be scheduled at a time convenient to the employee and to the operation of the College or District.

Management or confidential employees whose employment is terminated before earned vacation is taken in the current or preceding fiscal year will be granted terminal leave pay in-lieu thereof providing the employee has completed six months of employment.

If an administrator or confidential employee terminates and has been granted vacation not earned, the full amount of salary paid for unearned vacation shall be deducted from the terminal payment.

The standards of service that shall entitle the employee to the leave of absence are:

Review the collective bargaining agreement on sabbatical leave.

No absence from the service of the District under a leave of absence, other than another sabbatical leave, shall be deemed a break in the continuity of service required by this section, and the period of the absence shall not be included as service in computing the six consecutive years of service required by this section.

Service under a nationally recognized fellowship or foundation approved by the Board of Governors, for a period of not more than one year, for research, teaching or lecturing shall not be deemed a break in continuity of service, and the period of the absence shall be included in computing the six consecutive years of service required by this section.

Every employee, as a condition to being granted a leave of absence pursuant to this procedure, shall agree in writing to render a period of service to the District following his/her return from the leave of absence that is equal to twice the period of the leave.

AP 7343 INDUSTRIAL ACCIDENT AND ILLNESS LEAVE

References:

Education Code Sections 87787 and 88192

NOTE: This procedure is **legally required**. Local practice may be inserted. Leave procedures are a mandatory subject of bargaining for employees that are represented by an exclusive representative. The following are minimum requirements excerpted from statute.

Academic Employees

Academic employees shall be entitled to not less than 60 days leave on account of an industrial accident or illness in any one fiscal year for the same accident.

Allowable leave shall not be accumulated from year to year.

Industrial accident or illness leave shall commence on the first day of absence.

When an academic employee is absent from his/her duties on account of an industrial accident or illness, the employee shall be paid the portion of the salary due him/her for any month in which the absence occurs as, when added to his/her temporary disability indemnity under the Labor Code, will result in a payment to the employee of not more than his/her full salary. "Full salary," shall be computed so that it shall not be less than the employee's "average weekly earnings" as that phrase is used in Labor Code Section 4453. For purposes of this section, however, the maximum and minimum average weekly earnings set forth in Labor Code Section 4453 shall otherwise not be deemed applicable.

Industrial accident or illness leave shall be reduced by one day for each day of authorized absence regardless of a temporary disability indemnity award.

When an industrial accident or illness leave overlaps into the next fiscal year, the employee shall be entitled to only the amount of unused leave due him/her for the same illness or injury.

Upon termination of the industrial accident or illness leave, the employee shall be entitled to the benefits provided in Education Code Sections 87780, 87781 and 87786, and, for the purposes of each of these sections, his/her absence shall be deemed to have commenced on the date of termination of the industrial accident or illness leave. However, if the employee continues to receive temporary disability indemnity, he/she may elect to take as much of his or her accumulated sick leave which, when added to his/her temporary disability indemnity, will result in a payment to the employee of not more than his/her full salary.

During any paid leave of absence, the employee may endorse to the District the temporary disability indemnity checks received on account of his/her industrial accident or illness. The District shall issue the employee appropriate salary warrants for payment of the employee's salary and shall deduct normal retirement, other authorized contributions, and the temporary disability indemnity, if any, actually paid to and retained by the employee for periods covered by the salary warrants.

Any employee receiving benefits as a result of this section, during periods of injury or illness, shall remain within the State of California unless the Board of Trustees authorizes travel outside the state.

Classified Employees

Classified employees shall be entitled to not less than 60 days leave on account of an industrial accident or illness, in any one fiscal year for the same accident.

Allowable leave shall not be accumulative from year to year.

Industrial accident or illness leave of absence will commence on the first day of absence.

Payment for wages lost on any day shall not, when added to an award granted the employee under the workers' compensation laws of this state, exceed the normal wage for the day.

Industrial accident leave will be reduced by one day for each day of authorized absence regardless of a compensation award made under workers' compensation.

When an industrial accident or illness occurs at a time when the full 60 days will overlap into the next fiscal year, the employee shall be entitled to only that amount remaining at the end of the fiscal year in which the injury or illness occurred, for the same illness or injury.

The industrial accident or illness leave of absence is to be used in lieu of entitlement acquired under Education Code Section 88191. When entitlement to industrial accident or illness leave has been exhausted, entitlement to other sick leave will then be used; but if an employee is receiving workers' compensation, the person shall be entitled to

use only so much of the person's accumulated or available sick leave, accumulated compensating time, vacation or other available leave which, when added to the workers' compensation award, provide for a full day's wage or salary.

Periods of leave of absence, paid or unpaid, shall not be considered to be a break in service of the employee.

During all paid leaves of absence, whether industrial accident leave as provided in this procedure, sick leave, vacation, compensated time off or other available leave provided by law or the action of the District, the employee shall endorse to the District wage loss benefit checks received under the workers' compensation laws of this state. The District, in turn, shall issue the employee appropriate warrants for payment of wages or salary and shall deduct normal retirement and other authorized contributions. Reduction of entitlement to leave shall be made only in accordance with this procedure.

When all available leaves of absence, paid or unpaid, have been exhausted and if the employee is not medically able to assume the duties of the person's position, the person, if not placed in another position, shall be placed on a reemployment list for a period of 39 months. When available, during the 39 month period, the person shall be employed in a vacant position in the class of the person's previous assignment over all other available candidates except for a reemployment list established because of lack of work or lack of funds, in which case the person shall be listed in accordance with appropriate seniority regulations.

The Chancellor may require that an employee serve, or have served continuously, [specify time limit, not more than three years] before the benefits provided by this section are made available to the person. All service of an employee prior to the effective date of any such requirement shall be credited in determining compliance with the requirement.

Any employee receiving benefits as a result of this section shall, during periods of injury or illness, remain within the State of California unless the immediate management supervisor authorizes travel outside the state.

An employee who has been placed on a reemployment list, as provided above, who has been medically released for return to duty and who fails to accept an appropriate assignment, shall be dismissed.

NOTE: While there is no law or regulation requiring this procedure, it is **legally advised** to establish written procedures requiring employees to notify the District when ill, either here or through collective bargaining. Local practice may be inserted.

BP 7345 CATASTROPHIC LEAVE PROGRAM

Reference:

Education Code Section 87045

NOTE: The Board has discretion whether to implement a Catastrophic Leave Program under Education Code Section 87045. A Catastrophic Leave Program may be the subject of negotiations between a district and a union representing a unit of employees. The following language satisfies the requirements of Education Code Section 87045 if the District wishes to implement a program for un-represented employees.

The Board of Trustees authorizes implementation of a catastrophic leave program to permit employees of the District to donate eligible leave credits to an employee when that employee or a member of his/her family suffers from a catastrophic illness or injury.

The District Chancellor shall establish administrative procedures to administer the program that comply with the requirements established by the Education Code. The administrative procedures shall assure that the program is administered in a nondiscriminatory way.

AP 7345 CATASTROPHIC LEAVE PROGRAM

Reference:

Education Code Section 87045

NOTE: This procedure is **optional** depending on whether or not the Board of Trustees has adopted a policy allowing for catastrophic leave. Local practice may be inserted. Catastrophic leave procedures are a mandatory subject of bargaining for employees that are represented by an exclusive representative. Procedures for other employees are at District discretion. The following are minimum requirements excerpted from statute.

The District has established a catastrophic leave program to permit employees of the District to donate eligible leave credits to an employee when that employee or a member of his/her family suffers from a catastrophic illness or injury.

For the purposes of this procedure, the following terms are defined as follows:

- "Catastrophic illness" or "injury" means an illness or injury that is expected to incapacitate the employee for an extended period of time, or that incapacitates a member of the employee's family requiring the employee to take time off from work for an extended period of time to care for that family member, and taking extended time off work creates a financial hardship for the employee because he/she has exhausted all of his/her sick leave and other paid time off.
- "Eligible leave credits" means vacation leave and sick leave accrued to the donating employee.

Eligible leave credits may be donated to an employee for a catastrophic illness or injury if all of the following requirements are met:

- The employee who is, or whose family member is, suffering from a catastrophic illness or injury requests that eligible leave credits be donated and provides verification of catastrophic injury or illness.
- The Vice Chancellor of Human Resources determines that the employee is unable to work due to the employee's or his/her family member's catastrophic illness or injury.
- The employee has exhausted all accrued paid leave credits. If the transfer of eligible leave credits is approved, any employee may, upon written notice,

donate eligible leave credits at a minimum of eight hours, and in hour increments thereafter.

The maximum amount of time for which donated leave credits may be used shall not exceed use for a maximum period of 12 consecutive months.

Verification of catastrophic injury or illness shall be required.

All transfers of eligible leave credit shall be irrevocable.

An employee who receives paid leave pursuant to this procedure shall use any leave credits that he/she continues to accrue on a monthly basis prior to receiving such leave.

AP 7346 EMPLOYEES CALLED TO MILITARY DUTY

References:

Education Code Sections 87018, 87700, 87832 and 88116;
Military and Veteran’s Code Sections 389 et seq;
38 U.S. Code Sections 4301 et seq.

NOTE: This procedure is **legally advised**. Some aspects of it may be subject to collective bargaining. The following illustrative example incorporates the minimum requirements of applicable law.

The following applies to any District employee, academic or classified, who enters the active military service of the United States of America or of the State of California, including active service in any uniformed auxiliary of any branch of the military service, during any period of national emergency declared by the President of the United States or during any war in which the United States of America is engaged.

Leave

Upon presentation of a copy of orders for active duty in the Armed Forces, the National Guard, or the Naval Militia, the District shall grant a military leave of absence for the period of active duty specified in the orders, but not to exceed five years for a permanent, probationary, or exempt employee, or for the remainder of a limited-term employee’s appointment or a temporary employee’s appointment.

Salary

Any District employee called to active duty who has been in the service of the District for at least one year will continue to receive his or her salary for the first 30 calendar days of ordered military service. Employees who are members of the National Guard will continue to receive salary for the first 30 calendar days of active service regardless of length of service with the District.

In addition, the District may provide for not more than 180 calendar days as part of the employee’s compensation all of the following:

- The difference between the amount of his/her military pay and allowances and the amount the employee would have received as an employee, including any

merit raises that would otherwise have been granted during the time the individual was on active military duty.

- All benefits that he/she would have received had he/she not been called to active military duty unless the benefits are prohibited or limited by vendor contracts.
- Employees returning from military leave shall have their salary adjusted to reflect salary increases that are not based on merit.

Health Benefits

An employee on military leave for less than 31 days shall continue to receive health insurance benefits.

Employees on leave for longer than 30 days may elect to continue health care coverage for themselves and their eligible dependents for a maximum period of 18 months.

Returning veteran employees whose coverage was terminated because of military leave will not be subject to any exclusion or waiting period prior to reinstatement of health coverage.

Vacation and Sick Leave

Employees on military leave accrue any benefits the District provides to other employees, e.g. if employees on other approved leaves are permitted to accrue vacation or sick leave, employees on military leave will do so as well.

Employees on military leave shall accrue any benefits afforded by any collective bargaining agreement negotiated during their absence.

Any employee on temporary military leave for training who has worked for the District for at least one year shall continue to accrue vacation, sick leave, and holiday privileges up to a maximum period of 180 days.

Reinstatement

An employee on active duty military leave shall be entitled to return to the position held by him/her at the time of his/her entrance into the service within six months after the employee honorably leaves the service or is placed on inactive duty.

In the case of a contract academic employee, absence on military leave shall not count as part of the service required for the acquisition of tenure, but the absence shall not be construed as a break in the continuity of service. If the employee was employed by the district for more than one year, but had not yet become a regular academic employee of the district, he/she is entitled to return to the position for the period of time his/her contract of employment had to run at the time he or she entered military service.

In the case of an academic employee, absence on military leave shall not be construed as a break in the continuity of service.

In the case of a classified employee, absence on military leave shall not be construed as a break in the continuity of service.

AP 7347 PAID FAMILY LEAVE

References:

Unemployment Insurance Code Sections 3300 – 3303

NOTE: The following procedure applies only to those districts that contribute to State Disability Insurance Program, and takes effect in January 2004. It is recommended as good practice. In those and other districts, paid family leave may become a subject of collective bargaining.

Effective July 1, 2004, employees who contribute to the state's unemployment compensation disability insurance (SDI) program shall be eligible for up to six weeks of Family Temporary Disability Leave (FTDL). This leave is funded entirely through employee contributions and payments are equal to those the employee would receive for other SDI leave.

The employee may take the leave to care for:

- His/her own non-work-related serious health condition (including pregnancy-related disability);
- a child, spouse, parent, or domestic partner with a serious health condition; or
- to bond with a new child.

“Serious health condition” is defined exactly the same as in the Family Medical Leave Act (FMLA) and the California Family Rights Act (CFRA).

An employee requesting FTDL leave:

- is eligible for the leave once in a 12-month period;
- is subject to a seven day waiting period;
- may be required to use up to two weeks of accrued but unused vacation leave before beginning FTDL (including the seven day waiting period); and
- may have his/her time run concurrently with FMLA/CFRA leave.

An employee is not eligible for this leave if:

- he/she is receiving unemployment benefits;
- he/she is entitled to receive workers' compensation benefits;
- he/she is eligible for SDI or disability benefits from another state;

- another family member is “able and available” to provide care.

A contract or regular employee may be dismissed or penalized for one or more of the grounds set forth in Education Code Section 87732. If the employee is to be penalized, the Board of Trustees shall determine the nature of the penalties. If the Board decides to dismiss or penalize a contract or regular employee, it shall assure that each of the following has been satisfied:

- The employee has been evaluated in accordance with standards and procedures established in accordance with the provisions of Education Code Sections 87660 et seq., and any administrative procedure for evaluation contained in a collective bargaining agreement;

AP 7360 DISCIPLINE AND DISMISSAL, ACADEMIC EMPLOYEES

References:

Education Code Sections 87669 and 87732

NOTE: This procedure is **suggested as good practice/optional**. The Education Code is very prescriptive regarding discipline of academic employees, and additional local procedures are usually not necessary unless they evolve as part of collective bargaining. Local practice may be inserted. The following is excerpted from statute. **Note:** the provision permitting a District to discipline an academic employee for membership in the Communist Party is unlikely to survive a constitutional challenge.

Causes for Discipline

A regular employee or academic employee may be dismissed or penalized for one or more of the following causes:

- Immoral or unprofessional conduct.
- Dishonesty.
- Unsatisfactory performance.
- Evident unfitness for service.
- Physical or mental condition that makes him/her unfit to instruct or associate with students.
- Persistent violation of, or refusal to obey, the school laws of the state or reasonable regulations prescribed for the government of the community colleges by the Board of Governors or by the Board of Trustees of the District
- Conviction of a felony or of any crime involving moral turpitude.
- Conduct specified in Government Code Section 1028. (i.e., knowing membership in the Communist Party or of any organization which advocates the overthrow of the government of the United States by force or violence.)

NOTE: Districts have the option to notify or not notify employees regarding background checks conducted as disciplinary or harassment investigations. The following procedural language is **legally advised**.

Background Checks

Background checks may be conducted as part of disciplinary or harassment investigations. (Civil Code Sections 1786 et seq. (Fair Credit Reporting Act))

Advanced notice of discipline/harassment investigations shall be provided to those under investigation. If the investigation results in action that adversely affects the employee, the employee shall receive oral, written, or electronic notice of:

- the adverse action;
- the name, address, and telephone number of the third party agency that furnished the report;
- the employee's right to obtain a free copy of the report; and
- the employee's right to dispute the accuracy or completeness of any of the information in the report.

Notice and Appeal

The District shall not act upon any charges of unprofessional conduct or unsatisfactory performance unless during the preceding term or half college year prior to the date of the filing of the charge, and at least 90 days prior to the date of the filing, the employee against whom the charge is filed has been given written notice of the unprofessional conduct or unsatisfactory performance, specifying the nature of the conduct with specific instances of behavior and with particularity to permit the employee an opportunity to correct his/her faults and overcome the grounds for the charge. The written notice shall include the most recent evaluation of the employee.

If the Board of Trustees decides it intends to dismiss or penalize a contract or regular employee, a written statement, signed and verified, shall be delivered to the employee setting forth the complete and precise decision of the Board and the reasons for the decision.

The written statement shall be delivered by serving it personally on the employee or by mailing it by United States registered mail to the employee at his/her address last known to the District.

If the employee objects to the decision on any ground, the employee shall give written notice of the objection to the Board of Trustees and the District Chancellor of his/her objection within 30 days of the date of the service of the notice.

Within 30 days of receipt of the employee's demand for a hearing, the employee and the Vice Chancellor of Human Resources shall attempt to agree upon an arbitrator to hear the matter. When there is agreement as to the arbitrator, the Vice Chancellor of Human Resources shall enter into the records of the Board of Trustees written confirmation of the agreement signed by the employee and an authorized representative of the District. Upon entry of such confirmation, the arbitrator shall assume complete and sole jurisdiction over the matter.

If within 30 days of the receipt of the employee's demand for hearing, no written agreement has been reached between the employee and the District regarding appointment of an arbitrator, the District will certify the matter to the California State Office of Administrative Hearings and request the appointment of an administrative law judge.

Upon appointment, the arbitrator or the Administrative Law Judge shall conduct the proceedings in accordance with the California Administrative Procedures Act, except that the right of discovery shall not be limited to those matters set forth in Government Code Section 11507.6 but shall include the rights and duties of any party in a civil action brought in a superior court. In all cases, discovery shall be completed prior to one week before the date set for hearing.

The arbitrator or Administrative Law Judge shall determine whether there is cause to dismiss or penalize the employee. If the arbitrator finds cause, the arbitrator shall determine whether the employee shall be dismissed, the precise penalty to be imposed, and whether the decision should be imposed immediately or be postponed.

No witness shall be permitted to testify at the hearing except upon oath or affirmation. No testimony shall be given or evidence introduced relating to matters that occurred more than four years prior to the date of the filing of the notice. Evidence of records regularly kept by the District concerning the employee may be introduced, but no decision relating to the dismissal or suspension of any employee shall be made based on charges or evidence of any nature relating to matters occurring more than four years prior to the filing of the notice.

The decision of the arbitrator or Administrative Law Judge will be made in writing and provided to all parties.

NOTE: Districts have the option to notify or not notify employees regarding background checks conducted as disciplinary or harassment investigations. The following procedure is **legally advised.**

Background Checks

Background checks may be conducted as part of disciplinary or harassment investigations. (Civil Code Sections 1786 et seq. Fair Credit Reporting Act)

Advanced notice of discipline/harassment investigations shall be provided to those under investigation. If the investigation results in action that adversely affects the employee, the employee shall receive oral, written, or electronic notice of:

1. The adverse action;
2. The name, address, and telephone number of the third party agency that furnished the report;
3. The employee's right to obtain a free copy of the report; and
4. The employee's right to dispute the accuracy or completeness of any of the information in the report.

Disciplinary Actions

Disciplinary action taken by the District against a permanent member of the classified, classified confidential and management service may include, but not be limited to oral reprimand, written reprimand, and the following:

1. **Reduction in pay or demotion** – The District may reduce the pay or demote an employee whose performance of the required duties falls below standard, or for misconduct.
2. **Suspension** – An employee may be suspended for disciplinary purposes without pay.
3. **Discharge** – A permanent member of the classified service may be discharged for just cause at any time. Formal written notice of discharge may be made after considered action during a period of suspension.

Procedure for Disciplinary Action and Appeal

The District may, for disciplinary purposes, suspend, demote or terminate any employee holding a position in the classified, classified confidential and management service. Demotion shall include reduction in pay from a step within the class to one or more lower steps.

For classified, classified confidential and management employees who have been suspended, demoted or discharged the District shall follow a pre-disciplinary procedure as follows:

Notice of Intent: Whenever the District intends to suspend an employee, demote the employee, or dismiss the employee, the employee shall be given a written notice of discipline which sets forth the following:

1. The disciplinary action intended;
2. The specific charges upon which the action is based;
3. A factual summary of the grounds upon which the charges are based;

4. A copy of all written materials, reports, or documents upon which the discipline is based;
5. Notice of the employee's right to respond to the charges either orally or in writing to the appropriate manager;
6. The date, time and person before whom the employee may respond in no less than five working days;
7. Notice that failure to respond at the time specified shall constitute a waiver of the right to respond prior to final discipline being imposed.

Response by Employee

The employee shall have the right to respond to the appropriate manager/administrative supervisor orally or in writing. The employee shall have a right to be represented at any meeting set to hear the employee's response. In cases of suspensions, demotions, or dismissal, the employee's response will be considered before final action is taken.

Final Notice

After the response or the expiration of the employee's time to respond to the notice of intent, the appropriate authority shall: 1) dismiss the notice of intent and take no disciplinary action against the employee; or 2) modify the intended disciplinary action; or 3) prepare and serve upon the employee a final notice of disciplinary action. The final notice of disciplinary action shall include the following:

1. The disciplinary action taken;
2. The effective date of the disciplinary action taken;
3. Specific charges upon which the action is based;
4. A factual summary of the facts upon which the charges are based;
5. The written materials reports and documents upon which the disciplinary action is based;
6. The employee's right to appeal.

Appeal and Request for Hearing

If a classified or a classified confidential and management employee, having been issued the final notice of disciplinary action, wants to appeal the action, he/she shall within ten calendar days from the date of receipt of the notice, appeal to the Board of Trustees by filing a written answer to the charges and a request for hearing with the Vice Chancellor of Human Resources.

Time for Hearing

The Board of Trustees shall, within a reasonable time from the filing of the appeal, commence the hearing. The Board may conduct the hearing itself, or it may secure the services of an experienced hearing officer or Administrative Law Judge, mutually selected by the District and the employee, to conduct a hearing and render a proposed decision for consideration by the Board. However, in every case, the decision of the Board itself shall be final. The Board of Trustees may affirm, modify or revoke the discipline. Any employee, having filed an appeal with the Board and having been notified of the time and place of the hearing, who fails to make an appearance before

the Board, may be deemed to have abandoned his/her appeal. In this event, the Board may dismiss the appeal.

Record of Proceedings and Costs

All disciplinary appeal hearings may, at the discretion of either party or the Board of Trustees, be recorded by a court reporter. Any hearing which does not utilize a court reporter shall be recorded by audio tapes. If a court reporter is requested by either party, that party shall pay the cost of the court reporter.

Conduct of the Hearing:

1. The hearing need not be conducted in accordance with technical rules relating to evidence and witnesses but hearings shall be conducted in a manner most conducive to determination of the truth.
2. Any relevant evidence may be admitted if it is the type of evidence on which responsible persons are accustomed to rely in the conduct of serious affairs, regardless of the existence of any common law or statutory rules which might make improper the admission of such evidence over objection in civil actions.
3. Hearsay evidence may be used for the purpose of supplementing or explaining any direct evidence that shall not be sufficient in itself to support a finding unless it would be admissible over objection in civil actions.
4. The rules dealing with privileges shall be effective to the same extent that they are now or hereafter may be recognized in civil actions.
5. Irrelevant and unduly repetitious evidence may be excluded.
6. The Board shall determine relevancy, weight and credibility of testimony and evidence. Decisions made by the Board shall not be invalidated by any informality in the proceedings.
7. During examination of a witness, all other witnesses, except the parties, shall be excluded from the hearing upon motion of either party.

Burden of Proof

In a disciplinary appeal the District has the burden of proof by preponderance of the evidence.

Proceed with Hearing or Request for Continuance

Each side should be asked if it is ready to proceed. If either side is not ready and wishes a continuance, good cause must be stated.

Testimony under Oath

All witnesses shall be sworn in for the record prior to offering testimony at the hearing. The chairperson will request the witnesses to raise their right hand and respond to the following:

“Do you swear that the testimony you are about to give at this hearing is the truth, the whole truth and nothing but the truth?”

Presentation of the Case

The hearing shall proceed in the following order unless the Board of Trustees, for special reason, directs otherwise:

1. The party imposing discipline (District) shall be permitted to make an opening statement.
2. The appealing party (employee) shall be permitted to make an opening statement.
3. The District shall produce its evidence.
4. The party appealing from such disciplinary action (employee) may then offer their evidence.
5. The District followed by the appealing party (employee) may offer rebutting evidence.
6. Closing arguments shall be permitted at the discretion of the Board of Trustees. The party with the burden of proof shall have the right to go first and to close the hearing by making the last argument. The Board may place a time limit on closing arguments. The Board or the parties may request the submission of written briefs. After the request for submittal of written briefs, the Board will determine whether to allow the parties to submit written briefs and determine the number of pages of briefs.

Procedure for the Parties

The District representative and the employee representative will address their remarks, including objections, to the President of the Board. Objections may be ruled upon summarily or argument may be permitted. The Board reserves the right to terminate argument at any time and issue a ruling regarding an objection or any other matter, and thereafter the representative shall continue with the presentation of their case.

Right to Control Proceedings

While the parties are generally free to present their case in the order that they prefer, the Board reserves the right to control the proceedings, including, but not limited to, altering the order of witnesses, limiting redundant or irrelevant testimony, or by the direct questioning of witnesses.

Hearing Demeanor and Behavior

All parties and their attorneys or representatives shall not, by written submission or oral presentation, disparage the intelligence, ethics, morals, integrity or personal behavior of their adversaries or members of the Board of Trustees.

Deliberation Upon the Case

The Board of Trustees should consider all oral and documentary evidence, the credibility of witnesses, and other appropriate factors in reaching their decision. The Board may deliberate at the close of the hearing or at a later fixed date and time. In those cases where the Board has received a proposed decision from a hearing officer or Administrative Law Judge, the proposed decision, the record of the hearing and all documentary evidence shall be available for review by the Board when it deliberates.

Written Findings, Conclusion, and Decision

The Board shall render its findings, conclusions and decision as soon after the conclusion of the hearing as possible. A finding must be made by the Board on each material issue. The Board may sustain or reject any or all of the charges filed against the employee. The Board may sustain, reject or modify the disciplinary action invoked against the employee. In those cases where the Board has received a proposed decision from a hearing officer or Administrative Law Judge, the Board may adopt the proposed decision, modify the proposed decision or render a new decision. If the Board recommends reinstatement of the terminated employee, the employee is only entitled to back pay minus the sum the employee has earned during the period of absence.

Decision of the Board to be Final

The decision of the Board of Trustees in all cases shall be final.

Emergency Suspension

If an employee's conduct presents an immediate threat to the health and safety of the employee or others, the employee may be suspended without compliance with the provisions this procedure. However, as soon as possible after suspension, the employee shall be given notice as set forth herein.

Record Filed

When final action is taken, the documents shall be placed in the employee's personnel file.

AP 7500 VOLUNTEERS

Reference:

No specific references

NOTE: The language in red ink is **legally advised**. Local practice may be inserted. The following will satisfy requirements related to workers compensation and other insurance contingencies.

Purpose and Scope

The purpose of this procedure is to outline the District policy on volunteers. Each volunteer is subject to the screening process set forth in this policy, with the following exceptions:

- volunteers serving in single day college events.
- individuals serving as volunteers in Associated Student Organization (ASO) officer positions at the colleges. ASO officers are not entitled to defense and indemnity by the District.

The [designate position] may authorize suspension of the screening process when he/she believes that this process is not necessary for the volunteers serving in the particular event.

General

The District may enter into agreements with outside organizations to provide volunteers to the District to work at college locations. Such agreements will contain appropriate defense and indemnification language to protect the District from liability in connection with the volunteer services.

Volunteers serve the District in an "at will" capacity. The District may terminate a volunteer's services for any reason or no reason at all.

Pursuant to Government Code Section 3119.5, no person aged 60 years or older may be excluded from volunteer service if the person is physically, mentally and professionally capable of performing the services involved. A person shall be deemed "professionally capable" if he/she can demonstrate reasonable proficiency or relevant certification and performs his/her professional duties in accordance with laws,

regulations or the technical standards that govern his/her area of volunteer responsibility.

Volunteers may not be used in lieu of classified employees. The District may not refuse to employ a person in a vacant classified position and use volunteers instead, nor may it abolish any classified positions and use volunteers instead.

Screening

The District [shall/may] use a written application form that requires, at a minimum, the volunteer's name, address, phone number and history of convictions.

A volunteer's service record shall be maintained by the District.

Subject to the limitations of this policy, employees assigned to other positions within the District may serve as volunteers during off-hours.

Fingerprints of each volunteer may be required. Volunteers with on-going assignments and volunteers who interact with minors shall be required to provide a complete set of fingerprints for the purpose of running a criminal background check.

No person may serve as a volunteer in the District if:

- He/she has been convicted of or if he/she has charges pending which pertains to any sex offense (as defined in Education Code Section 87010), or controlled substance offense (as defined in Education Code Section 87011).
- He/she has been convicted of a crime and the [designate position] determines that: the nature of the crime is too serious to serve as a volunteer; the crime was too recent; and/or the crime is inconsistent with obligations in performing assigned duties as a volunteer.
- He/she has a health condition that would preclude him/her from satisfactorily performing essential duties of the position.
- He/she makes a false statement or omits a statement as to any material fact on the application form.

Incidental Expenses

Persons serving without pay as volunteers may receive reimbursement for incidental expenses.

Benefits

Volunteers are employees of the District only for the purpose of worker's compensation benefits for injuries sustained while engaged in the performance of any service under the direction and control of the District. With the exception of worker's compensation (Education Code Section 72401), volunteers shall serve without any type of compensation or any other benefits granted to district employees. Volunteers shall not be entitled to defense and indemnity from the District.

Individuals are encouraged to report suspected incidents of unlawful activities by District employees in the performance of their duties. Reports will be investigated promptly and appropriate remedies applied. Employees who, in good faith, report such activities and/or assist the ~~Kern Community College~~ District in the investigation, will be protected from retaliation.

This procedure sets out the processes for responding to and investigating reports of unlawful activities, as defined in ~~Kern Community College District Board Policy 7F, BP 7700 titled~~ Whistleblower Protection, and for addressing complaints of retaliation for making such reports.

1) Filing a Report of Suspected Unlawful Activities

- a) Any person may report allegations of suspected unlawful activities. Knowledge of suspicion of such unlawful activities may originate from academic personnel, staff, or administrators carrying out their assigned duties, internal or external auditors, law enforcement, regulatory agencies, customers, vendors, students, or other third parties.

- b) Anonymous reports will be investigated to the extent possible. However, employees are strongly encouraged not to report anonymously because doing so impedes the District's ability to thoroughly investigate the claim and take appropriate remedial measures. As set forth fully below, retaliation against individuals who report suspected unlawful activities will not be tolerated.
- c) Normally, a report by a District employee of allegations of a suspected unlawful activity should be made to the reporting employee's immediate supervisor or other appropriate administrator or supervisor within the operating unit. However, if the report involves or implicates the direct supervisor or others in the operating unit, the report may be made to any other District official whom the reporting employee believes to have either responsibility over the affected area or the authority to review the alleged unlawful activity on behalf of the District. When the alleged unlawful activity involves the College President, the report should be made to the District Chancellor. When the alleged unlawful activity involves the District Chancellor, the report should be made to the President of the Board of Trustees. When the alleged unlawful activity involves the Board of Trustees or one of its members, the report should be made to the District Chancellor who will confer with the President of the Board and/or legal counsel on how to proceed.
- d) Allegations of suspected unlawful activities should be made in writing so as to assure a clear understanding of the issues raised, but may be made orally. Such reports should be factual and contain as much specific information as possible. The receiving supervisor or administrator should elicit as much information as possible. If the report is made orally, the receiving supervisor or administrator shall reduce it to writing and make every attempt to get the reporter to confirm by his/ ~~or~~ her signature that it is accurate and complete.
- e) Once the receiving supervisor or administrator has received and/or prepared a written report of the alleged unlawful activity, he/ ~~or~~ she must immediately forward it to the President of the college where the alleged activity has occurred. However, if this process would require submitting the report to an employee implicated in the report, the receiving supervisor or administrator should follow the reporting options outlined above. The high-level administrator or trustee who receives the written report, pursuant to this paragraph, is responsible for ensuring that a prompt and complete investigation is made by an individual with the competence and objectivity to conduct the investigation, and that the assistance of counsel and/or an outside investigator is secured if deemed necessary.
- f) In the course of investigating allegations of unlawful conduct, all individuals who are contacted and/or interviewed shall be advised of the District's no-

retaliation policy. Each individual shall be: 1) warned that retaliation against the reporter(s) and/or others participating in the investigation will subject the employee to discipline up to and including termination; and 2) advised that if he ~~or~~ she experiences retaliation for cooperating in the investigation, then it must be reported immediately.

- g) In the event that an investigation into alleged unlawful activity determines that the allegations are accurate, prompt and appropriate, corrective action shall be taken.

2) Protection from Retaliation

- a) When a person makes a good-faith report of suspected unlawful activities to an appropriate authority, the report is known as a protected disclosure. District employees and applicants for employment who make a protected disclosure are protected from retaliation.
- b) Any employee who believes he or she has been (1) subjected to or affected by retaliatory conduct for reporting suspected unlawful activities, or (2) for refusing to engage in activity that would result in a violation of law, should report such conduct to the appropriate supervisory personnel (if such supervisory personnel is not the source of or otherwise involved in the retaliatory conduct). Any supervisory employee who receives such a report, or who otherwise is aware of retaliatory conduct, is required to advise the College President, the District Chancellor, or the District Chancellor's designee. If the allegations of retaliation or the underlying allegation of unlawful conduct involve the College President or District Chancellor, the supervisor shall report to the highest level administrator and/or trustee who is not implicated in the reports of unlawful activity and retaliation.
- c) All allegations of retaliation shall be investigated promptly and with discretion, and all information obtained will be handled on a "need to know" basis. At the conclusion of an investigation, as appropriate, remedial and/or disciplinary action will be taken where the allegations are verified and/or otherwise substantiated.

3) Requirement to Post Whistleblower Hotline

- a) The District shall prominently display in lettering larger than size 14 point type a list of employees' rights and responsibilities under the whistleblower laws referenced in this procedure. The list shall include a telephone number of the whistleblower hotline, ~~(888) 304-7794~~, for employees who have information regarding possible violations of state or federal statutes, rules or regulations, or violations of fiduciary responsibility by a cooperation or limited liability company to its shareholders, investors, or employees.

Employees who have information regarding possible violations of state or federal statutes, rules, or regulations, or violations of fiduciary responsibility by a corporation or limited liability company to its shareholders, investors, or employees should contact the California Community Colleges Chancellor's Office or the District's Board of Trustees. Employees can contact the State Personnel Board with complaints of retaliation resulting from whistleblower activities. The State Personnel Board hotline is (916) 653-1403.

4) Other Remedies and Appropriate Agencies

- a) In addition to the internal complaint process set forth above, any employee who has information concerning allegedly unlawful conduct may contact the appropriate government agency.

References: Title IX of the Education Amendments of 1972 (Title IX) regarding sexual harassment.
Title VII of the Civil Rights Act of 1964

The Kern Community College District has designated all employees as responsible employees.* As such, they are required by Title IX and college policy to report any information they have concerning possible discrimination, sexual harassment or sexual misconduct.

This means that information about discrimination, sexual harassment or misconduct shared with faculty or staff personnel is not confidential.

Pursuant to Title IX, when a responsible employee has such information, the college is deemed to possess that knowledge and is obligated to take actions intended to stop the behavior, prevent its recurrence, and remedy its effects. By reporting the information to the appropriate college official, the responsible employee enables the college to fulfill its legal obligation to assess the information and determine what action is called for. In this way, responsible employees contribute to a learning environment where discrimination, sexual harassment and sexual misconduct are discouraged and promptly addressed.

All such incidents must be reported to the Deputy Title IX Coordinators at each college or to the Vice Chancellor of Human Resources who has been designated the Title IX Coordinator for the Kern Community College District.

***Exceptions to this designation are limited to temporary hourly employees & staff of the Counseling Center, and the Health Center.**
