Community College Baccalaureate (CCB) Updates

Presented to KernCCD District Consultation Council

By: Liz Rozell, Todd Coston

Date: April 25, 2023

Updates from the CCCCO

- ✓ Change from one application per district to one application per college
- ✓ Unit changes – 40 units in upper division
- ✓ ACCJC Requirements – "baccalaureate" in mission statement
- ✓ New rubric used for scoring
  - o Point system – 125 total, need 100 to move on in the process
- ✓ Much more competitive going forward

BC Police Science - Application Update

- ✓ Submitted in January 2023 application cycle
- ✓ Great application but the state applied a new rubric
- ✓ Scored 82.5 out of 125 points, need 100 to be considered
- ✓ Intersegmental concerns – CSU's are pushing back

Next steps:
- ✓ Improving application for August re-submittal

Application Proposals

BDP Taskforce has received and reviewed two applications:

✓ Porterville College – Modern Police Science
✓ Cerro Coso Community College – Cyber Security Technology

PC – Modern Police Science

The KernCCD BDP Taskforce has provided a list of items needing improvement in order to be competitive for the next application period.

Next steps:
- ✓ Update application to address requirements of new rubric

CC – Cyber Security Technology

The KernCCD BDP Taskforce has provided a short list of items needing improvement in preparation for the presentation to the board and final application to the state.

Next steps:
- ✓ Presentation to BOT on May 11ᵗʰ
- ✓ BOT first read June
- ✓ BOT second read July
- ✓ Application submission August
