Overview Governor's 2025-26 January Budget Proposal

January 21, 2025

- Governor Newsom proposes a relatively balanced state budget and favorable projections for community colleges.
- The Governor is proposing an overall state budget increase, indicating fiscal year 2025-26 will be approximately 8% higher than the current year.
 The increase of \$322.2 billion is attributed to higher state receipts and cost cutting actions taken in the current-year budget.
- Despite reports of Proposition 98 funding remaining essentially flat, LAO reports spending on schools and community colleges will increase by \$2.5 Billion: The budget proposal for the California Community Colleges reflects a significant focus on the Master Plan for Career Education, ongoing general fund spending, one-time funding for a Systemwide Common Data Platform & scaling up credit for prior learning policies and capital outlay funds from Proposition 51 and 2.

Apportionment

The California Community College Budget includes several major investments. With revenues coming in above projections. It should be noted, however, that most of this funding is one-time in nature.

 Compared to the 2024-25 Budget Act, the estimated and proposed Total Computational Revenue for the SCFF increases by \$204.3 million, from \$9.57billion to \$9.78 billion. This reflects a proposed cost-of-living adjustment (COLA) of 2.43% and FTES growth of 0.5%.
