7. UNFINISHED BUSINESS

Items listed have already been discussed once and thus are considered for approval by the Senate

a. Vendors for Renegade Cross Roads

Discussion:

Senator Cortez: A lot of businesses are scared to pay the vending spot fee to come onto campus to sale. The main concern being the fear of not selling well to cover the cost and more.

Director Smith: We may have to scratch that if there is no vendor by next week.

M.E.C.H.A Club: All of the vendors that came to student involvement festival, can they come back?

Senator Cortez: That would be a question for Danyel. I offered to look up new vendors for the event.

8. NEW BUSINESS

Items listed have not already been discussed once and thus are considered for approval by the Senate.

a. Chandelier construction

Director Smith: There has been difficulty in constructing the chandelier. There is trouble with the center section which holds everything together. If you have any ideas, please contact me so we discuss ideas further. That is the update thus far.

b. Update on Theatre department

Discussion:

Director Smith : The theatre department has offered to volunteer some people to act as ghosts as well as 3 possible witches to do a performance of, "I Put a Spell On You," from *Hocus Pocus*. The only issue is that we would have to look into the budget to clean the costumes in order for them to volunteer. It would be a matter of finding money.

Pantry Coordinator: Depending on the sizes need, we do have clothing in the pantry that could be used instead. As Coordinator, I would have no problem supplying that for costumes like the witches. We have dresses that we have not been able to sell.

Senator Salcido: If that were to happen, I believe that the pantry should be recognized at the Halloween Ball for their help.

c. Catering update

Director Smith : The catering that we were originally looking into informed us that they would only be able to do cookies and punch the entire night. We decided to take our money elsewhere. We are thinking of buying things from Costco for food for the night. We have an 800 maximum projected for the night.

Culinary Club: We are going to do finger sandwiches for the setups just because we have an event going on the same day (or day before) the Halloween Ball. So we have a lot of resources to use.

Director Smith: Thank you Culinary Club.

9. PUBLIC COMMENT

This segment of the meeting is reserved for persons desiring to address the Senate on any matter of concern that is not stated on the agenda. A time limit of three (3) minutes per speaker and fifteen (15) minutes per topic shall be observed. The law does not permit any action to be taken, nor extended discussion of any items not on the agenda. The Senate may briefly respond to statements made or questions posed, however, for further information, please contact the BCSGA Vice President for the item of discussion to be placed on a future agenda. (Brown Act §54954.3)

Senator Cortez: I talked to Christopher Counts, and he dismissed security options from anything other than the security that we have here on campus. I will also talk to the secretaries in the front office to see if I can get a list of past vendors who have sold here on campus. We may have better luck contacting them rather than new vendors.

Senator Salcido: I will be spending next week reviewing the budget, looking at what we have spent so far. I'm hoping to have a number calculated, and hopefully I can get that to you next week. Also, for these meetings everyone is welcome to invite their members to attend. We need all of the help we can get. We are trying to pull our resources together. Right now, we do not have enough people to help out yet. So I ask that you extend the information provided here to your peers. We need your help in anything that you can do.

10. ADJOURNMENT

In there being no further business, the meeting was adjourned at 11:29 a.m.
