## 9. NEW BUSINESS

*Items listed in this agenda item have not already been read or discussed once and thus are considered for approval of the committee*

- a. Ray Purcell, MN, NP – Director of Student Health and Wellness  
Discussion: Ray Purcell introduced himself by stating he has been a Nurse Practitioner for over thirty years. He gave a report on the different services offered by the Student Health and Wellness Center, which ranges from pregnancy tests, birth control, diabetic tests, over the counter medications, mental health services, and more. He stated that these services are provided by the thirteen dollars student health fee and are allowed up to 6 visits per semester. Additionally, that he is in the process of creating a 3 to 5 year strategic plan, and one that will start with a survey, then a dispensing of the information collected. He asked the clubs to take notice of peers around who may seem that they need the services from the center, or to even simply refer them to go check it out. Mr. Purcell further addressed any questions the representatives and Department had.
- b. It was moved by Senator Galvez and seconded by Manager Scott to approve ACTION ITEM: Approval of allocation in the amount of \$55 from TA100-Student Organizations for Bingo Set

- c. Welcome Back Week (1<sup>st</sup> week of spring semester)

**Discussion:** It was addressed to all clubs and members that any events that would like to be held or if there are ideas for that week, then that they should be presented rather soon. As the end of the semester is nearing, it is the final chance to do real preparation for Spring semester.

- d. Event ideas for Thanksgiving & Holiday Season

**Discussion:** As time is clearly crunched to come up with solid ideas and implementation of events for the holidays, it is still possible for clubs to do something. Tutoring Club and Veterans Club have proposed to do a multi-club bake sale in December and the invitation to join is open to all clubs. It would possibly be a weeklong or just a day event.

- e. Homecoming feedback

**Discussion:** There was positive feedback received about Homecoming in that it went well and was successful. Additionally, that for the next school year, it would be a great idea to do the teddy bear donation drive during that week instead, and to use it as a competition as well.

- f. Constitution Day Mission Statement Posters- Signing needed

**Discussion:** It was discussed by Manager Scott that the posters would be given out to each club, and that it would be the responsibility of the club to return the posters with the missing signatures. Other measures has been placed before that and it was not working well in getting clubs to complete the task. This poster could also be on display during the award ceremony at the end of Spring for the “Most Outstanding Club”, and it was also asked to consider applicants for nominations to awards.

Additionally, you can advocate to the senators to vote accordingly. We want to be the voice of students at Bakersfield College. Also, please welcome the new senator, Madison Maner.
