(Ian presented two examples and demonstrated all suggestions to maintaining or designing the boards, and also what needs to be on the poster. For example, the date, day, and time need to be on it.) All boards need to go through me for final revision. However, if I am not there, then the production team will be able to do the final revision in order to decide whether or not it can be posted. It is not allowed to post over other posters or flyers. There is no taping or posting on window. Also feel free to take down outdated flyers that you see around school.

- b. Robert Burke: Hello, I am the newly appointed Director of Legislative Affairs. If you know anything to bring up about resolutions, or legislation, that affects the student body then feel free, and please, let me know. (Robert proceeded to discuss what the duties of the Director of Legislative Affairs are, and his experience that relates to the position, along with what he hopes to accomplish.)

this list as a solid commitment. This is a huge event, and it requires a lot of help. Please let me know at least by next meeting if you need time to consult with your clubs. The set date for Extra Life is April 16th, 2016, and it will be held within the fireside room. We are looking into catering, T-Mobile is willing to help provide hotspots for the event at no cost, and some allocations for this event may need to be made. JDRC is on February 24th, from 8 a.m. to 1 p.m. I also need a commitment from clubs who want to have a booth or sell shoes. The shoes were originally only red, but there will now be different colors which will indicate their monetary donation. I also want to make it clear with what the Department on Student Organizations plans to do with the ICC body. We want to move forward with COBRA, where the ICC representatives become the House of Representatives. I would like to start grooming ICC now to prepare for that. ICC representatives will be able to write or send resolutions to the Senate and also vote or amend the resolutions that come back to you.

- b. BCSGA Advisor, *Dr. Damania*: No report.

7. UNFINISHED BUSINESS

Items listed in this agenda item have already been read or discussed once and thus are considered for approval of the committee

- a. Thanksgiving & Christmas Event Ideas

Discussion: It was discussed that the Veterans and Tutoring Club are going to be hold a multi-club bake sale, where all clubs are invited to come out to sell any goodies (according to the Food Services regulations of what food can be sold on campus). It is still pending as to whether the event will be a day-long event or a week-long event, and there is still outreaching to other clubs going on.

- b. Welcome Back Week (1st week of spring semester)

Discussion: The clubs indicated interest to hold booths for that week. There will also be a specific officers training held at the start of the Spring semester. There will be training specifically for secretaries, presidents, vice presidents, and for all other positions. It was also brought up that the Tutoring Center will be having a Tutoring Awareness day so that all students know about it. This will comprise of 10 to 15 minute tutoring sessions, and the Tutoring Club will also be out there.

8. NEW BUSINESS

Items listed in this agenda item have not already been read or discussed once and thus are considered for approval of the committee

- a. It was moved by Senator Galvez and seconded by Student-at-Large Hawks to approve ACTION ITEM:

Approval of allocation in the amount of \$250 from TA100-Student Organizations for Streamfetti Blaster and streamer supplies.

Discussion: It was discussed by Director Hidalgo that the department was asked by the Office of Student Life to purchase a streamer to use for sporting events and more. To purchase the adapter that could be used with the t-shirt gun is \$200, so it was decided to just get a quote altogether. There was only one unique kind, such that there is only one quote. The gun would be used at football games to mark touchdowns, or field goals. It will also be allowed to be checked out by clubs, and it is a streamer, not confetti, so it is a lot easier to clean up. The clubs did show an indication that they could have purpose for it.

Pros: The streamer would definitely be able to boost morale for the crowd and the football team.

Cons: There is only one quote, so it would not be reliable to purchase if there is nothing to compare it up against and the clean-up is really tedious.

The debate was exhausted, so the department went straight to a vote.

The Senator voted as follows:

Senator Maner- Yes

Student-at-Large

Hawks- No

Senator Galvez- Yes

Manager Scott- No

The vote tallied as 2-2-0. There was not a 2/3 majority of votes in favor, thus the motion failed.

- b. All clubs must renew their space reservations for the Spring Semester. Please put your meeting times on the white board. We will be making a poster for the bulletin board.

Discussion: It was reminded to all representatives that the space reservations are going to expire at the end of the year. As such, it was beseeched that the clubs contact Danyel Owens in the Office of Student Life should they need any help with the reservations.

- c. Dr. Damania is seeking an ICC Representative to serve on the elections committee. 1-2 hours per week from now until April 7th, 2016.

Discussion: It was further discussed that the representative on the elections committee cannot be someone who is planning to run for a BCSGA officer position next year. Paul Peterson was selected at the meeting as he indicated that he would like to serve on the elections committee.

- d. Commitment to Zumba-thon (February 24th, 2016 8:00 am. -1:00 pm.)

Discussion: A sign-up sheet was passed around to all clubs to sign up as a solid commitment. It was also reminded that they could sign-up at the next ICC/Department on Student Organizations meeting should they need to consult their clubs. Additionally, if the clubs are tentative in wanting to participate, then they could still sign up.

- e. Commitment to Extra Life

Discussion: A sign-up sheet was passed around to all clubs to sign up as a solid commitment. It was also reminded that they could sign-up at the next ICC/Department on Student Organizations meeting should they

need to consult their clubs. Additionally, if the clubs are tentative in wanting to participate, then they could still sign up.

- f. Legislative Resolution Trial: F15-28 in the SSCCC – California Dreamers Book Voucher

Discussion: The Department on Legislative Affairs conducted a mock resolution trial similar to that of what was held at the Student Senate for California Community Colleges (SSCCC) in order to help them familiarize with Robert's Rules, the Brown Act, and parliamentary procedures that are to be used at all meetings. The Resolution used was that on California Dreamers Book Voucher and is a resolution that passed at SSCCC.
