

**Attention motivated students eligible for English 50 or English 60:  
A new class may be for you—ENGLISH B53!**

**Accelerated  
Reading, Writing,  
and Reasoning**

**Students at the English placement level of 04 (English 60) or 05 level (English 50) are eligible for this new course.** In English B53, all class readings, discussions, and assignments are organized around a theme. Students will strengthen their critical thinking and their ability to develop arguments at the college level. Successful English B53 students will be eligible for ENGL B1A.

If you are a student ready to improve your critical thinking and writing skills—this one is for you!
