

ACCELERATED COURSES in ENGLISH

Within one semester, English B53 and the Writing Express give students the opportunity to advance *more than a single level* in the sequence of English composition courses.

English B53 (ENGL B53)

For the student who places two-levels below English B1a, our department offers 2 pathways to English B1a (our freshman/transfer level English). The first bulleted item is an accelerated pathway; the second is the traditional pathway:

- Single semester pathway—**English B53** (this course allows both levels of students – those eligible/placed in English B60 and those eligible/placed in English B50 – to register into the course);
- Two semester pathway—**English B60** one semester followed by **English B50** the next semester.

Writing Express (LRNC 510)

For students who want to complete English B50 and English B1a in the same semester, we offer the Writing Express: a Learning Community Course, **LRNC 510**.

The first 8 weeks of the semester, students are enrolled in a MTWR 2-hour English B50 class. Successful students then roll into the English B1a for the last 8 weeks of the semester; students and instructor remain together as a cohort.
