PLEASE NOTE: If you have multiple requests, please submit multiple forms.

Please share as many details as possible such as room location(s), type of equipment and/or software requested. If you have a cost estimate, that would be helpful, we will contact you for more details.

Please share as many details as possible such as room location(s), type of facilities request, remodel or construction request, safety concern, or furniture request.

You will have an opportunity to present your request to the ISIT/FACILITIES OR CTE committee.

I am requesting the following:

25 iPads for the M&O staff to use for work orders,. This will allow the staff to be able to retrieve work orders while at the job rather than back at the office. The department will become more efficient allowing real time information at the jobsite.
