Does the above program meet a documented labor market demand? Please explain. Employment opportunities in the criminal justice field are and continue to be numerous. Kern County is a major employment area for criminal justice. Due to a variety of factors, including, but not limited to, an early retirement age and increased funding from the state of California, job openings continue to expand.

Using EMSI / Career Pathways / Occupation Analysis / Occupational Program Report

List all related programs of study by other educational institutions in our region:

CSUB Criminal Justice BA

Taft College Criminal Justice AA

Santa Barbara Business College Criminal Justice AA

Does the above program represent unnecessary duplication of training programs in our area? Please explain.
The program is not an unnecessary duplication of other area programs. Employment opportunities in the criminal justice field are and continue to be numerous. Other area programs are considerably more expensive to students than those at Bakersfield College.
