TITLE OF INSTRUCTOR POSITION: Professor Mechanized Agriculture

With the addition of the new Heavy Equipment Tech Certificate program we now have a total of 10 MCAG courses that need to be offered each academic year on the BC main campus. Additionally we offer approximately 7 courses annually through Dual Enrollment on high school campuses. We are also looking into offering MCAG courses as part of BC Rural Initiatives on the existing Delano campus and the new Arvin site.

All MCAG courses are 3 unit lecture lab courses equaling 0.333 FTE. To meet the annual demand for MCAG courses on the BC campus for all programs requiring these courses equals a 1.665 FTE faculty work load both semesters. This load does not include required Dual Enrollment courses on high school campuses as part of the Wonderful College Preparatory Academy, or additional courses on rural campuses.

Provide data that substantiates the proposed positions. Refer to the guidelines listed in the Budget Decision Criteria and College Strategic Goals documents.
