I am requesting the following:

<p>New Projectors for FA 9 and FA 10</p> <p>The projectors in FA 9 and FA 10 are outdated and along with the screens in the room need to be updated. There is a separate request for the screens. Digital Art classes rely on accurate color representation and image quality in the projection to teach students about color and image quality. New projectors will help with skill attainment and success rates for students.</p>
