I am requesting the following technology or software:

This request is for the Delano faculty printer:

- Delano faculty printer upgrade/repair

Rationale: The Delano faculty members share a single common printer. The printer is often down and frequently has long wait times for faculty printouts. Our faculty members who never teach on the Panorama campus often drive to the Panorama campus to use the Fine Arts printer to circumvent the problems the Delano printer poses.

A 2nd Delano printer and/or an upgrade to the existing printer would improve teaching in Delano.
