**TITLE OF INSTRUCTOR POSITION:**

Construction and Woodworking / Cabinetmaking instructor – Full Time  
 In order for the program to thrive, there needs to be a full-time faculty member who can take ownership of it and devote the time necessary to develop the student learning experiences, facility management, and industry connections that are present in successful programs.  
 There is a documented labor demand in our area for this program and currently the program is maintained by adjunct faculty. Hiring this instructor would support the strategic directions of Student Learning, Student Progression and Completion, Facilities, and Leadership and Engagement.  
 This full-time faculty member could serve the anchor member of woodworking / cabinetmaking and construction, another area that needs a full-time faculty. Because these areas (construction, construction management, and woodworking / cabinetmaking are so closely related it would be a natural fit.
