Please share as many details as possible such as room location(s), type of facilities request, remodel or construction request, safety concern, or furniture request.

You will have an opportunity to present your request to the ISIT/FACILITIES OR CTE committee.

I am requesting the following:

<p>This is a request for Furniture:</p> <p>New tables and chairs for LA 219. The room is small, and desks make it difficult for students and instructors to navigate the room. Tables would allow for more aisle space and make it easier for everyone to maneuver inside the room.</p> <p>This is needed because student success is one of our department goals and part of the vision for Bakersfield College. New tables are necessary for students; they will enhance student success.</p>
