I am requesting the following:

<p>This is a request for ISIT:</p> <p>Document (ELMO) camera requested for LA 225 Lab. This document camera was removed for a classroom last year, so we now need a new one for the LA 225 lab. This is needed because student success is one of our department goals and part of the vision for Bakersfield College. A document camera in the lab will enhance student success for students.</p>
