

ISIT/FACILITIES/OTHER EQUIPMENT REQUEST 2018:

Program or Service Unit:	Electronics Technology
Submitter:	Manuel Fernandez
Extension:	4645
E-mail:	manferna@bakersfieldcollege.edu

Funding Source or needs funding. Please explain	Needs funding – facilities issue
---	----------------------------------

PLEASE NOTE: If you have multiple requests, please submit multiple forms.

Please share as many details as possible such as room location(s), type of equipment and/or software requested. If you have a cost estimate, that would be helpful, we will contact you for more details.

Please share as many details as possible such as room location(s), type of facilities request, remodel or construction request, safety concern, or furniture request.

You will have an opportunity to present your request to the ISIT/FACILITIES OR CTE committee.

I am requesting the following:

<p>The INDT building was renovated/modernized in the early 2000's. When the CIM Lab (INDT 7a) was rebuilt, classrooms and office spaces on the mezzanine level were also renovated and expanded.</p> <p>INDT 7a was fitted with a suspended ceiling and acoustic tiles, but apparently sound-deadening materials were not used. There is insufficient isolation of the sounds of students walking down the hallway above, using the elevator, and other normal activities taking place on the second (mezzanine) floor.</p> <p>This noise has disrupted student learning in INDT 7a since the renovation was completed, but as the building has been used for many more course sections in recent years, the amount and duration of the disturbing sounds has increased.</p> <p>Please inspect the sound-deadening (or lack thereof), and install or replace the insulation or sound-deadening in the ceiling of INDT 7a.</p>
