

## Professional Development Form

I was unable to find any form for Professional Development.

### For Food & Nutrition Programs

We would like to attend one of two out of state conferences: Either the National Restaurant Association Meeting in Chicago Illinois or the American Culinary Federation Convention in Orlando Florida

Both would be approximately \$4500.00 per person for three people, for a total of \$13,500.

Additionally, to maintain their status as registered dietitians, the nutrition faculty need to attend a nutrition conference. Two faculty will attend and \$5,000 is being requested.
