Funding Source or   needs funding.   Please explain
                    Culinary Foundation Account

PLEASE NOTE: If you have multiple requests, please submit multiple forms.

Please share as many details as possible such as room location(s), type of equipment and/or software requested. If you have a cost estimate, that would be helpful, we will contact you for more details.

Please share as many details as possible such as room location(s), type of facilities request, remodel or construction request, safety concern, or furniture request.

You will have an opportunity to present your request to the ISIT/FACILITIES OR CTE committee.

The Renegade Room needs a Software program and data storage system for our POS system. Our equipment supplier has recommended that we establish a separate sub-network for the POS operating system or re-wire the hard wiring from the dining room to kitchen. This will stabilize the information for our daily reports and minimize the re-booting frequency problems we currently have.

We also need a new projector screen for FACE Room23. The existing screen is dirty and stained.

I am requesting the following:

New POS software program

Increased data storage for our POS system

New sub-network, or revised hard wiring, dedicated for our POS system.

A new screen for projecting in FACE Room23
