

ISIT/FACILITIES/OTHER EQUIPMENT REQUEST 2018:

Program or Service Unit:	Geology
Submitter:	Benker
Extension:	4222
E-mail:	chris.benker@bakersfieldcollege.edu
Funding Source or needs funding. Please explain	Needs funding

PLEASE NOTE: If you have multiple requests, please submit multiple forms.

Please share as many details as possible such as room location(s), type of equipment and/or software requested. If you have a cost estimate, that would be helpful, we will contact you for more details.

- 1) Repair costs or buy new master clickers for classroom clicker system. Only 1 of 5 working (no backup currently available if lost, stolen, stops working).**
- 2) Licenses for drawings of paleontological creatures for a new low cost (possibly free) lab manual for Historical Geology students. These would be purchased from BC student artists whenever possible. Total amount of request at this point is \$500 worth of art licensing.**
- 3) 12 passenger van and fuel expenses OR B) funds for all rental costs of similar vehicle rental and fuel expenses OR C) use of currently owned BC van and/or bus and fuel expenses [all details below]**

A) New 12 passenger van approx. \$40,000 with fuel budget

OR

B) Rental van costs [ex. through Enterprise rental car for a single Fri-Mon rental would cost \$573.54; certain rental car companies are closed on Sunday and we are always forced to pay an additional day for weekend field trips] with fuel expenses (we estimate at least 2 field trips per semester)

OR

C) use of currently owned BC van and/or bus and fuel expenses [geology dept has not gotten clear communication as to whether BC owns such vehicles but has viewed possible BC vehicles parked in lots over weekend; BC does utilize the *Rooter Bus* that would work well for large class field trips around the Bakersfield area <http://www.gogades.com/general/2018-19/releases/20180827jynghd>].

Please note typically field trips are run on weekends and many rental car companies are closed on Sunday commonly resulting in an extra day of rental charge to the college—or worse the limited budget geology club.

Please share as many details as possible such as room location(s), type of facilities request, remodel or construction request, safety concern, or furniture request.

You will have an opportunity to present your request to the ISIT/FACILITIES OR CTE committee.

I am requesting the following:

All are noted above.
