Please share as many details as possible such as room location(s), type of facilities request, remodel or construction request, safety concern, or furniture request. If you have a cost estimate, that would be helpful, we will contact you for more details.

I am requesting the following facilities need:

Classroom H-19 and H-51

Since the desired enrollment for the double sections held in H-51 is 100 students, we request that the number of chairs/desks be increased to 100 to accommodate the appropriate enrollment number.

Since the desired enrollment for H-19 is 72, we request 72 desk/chairs to be in that room.
