

2018-19 Annual Update Review and Feedback

Program Name: Industrial Technology

Section	Feedback	
College Mission A. Is the discussion of how the program supports the college mission clear?	Succinct, but will most likely be expanded once the program goes through its planned changes	
Progress of Goals A. Is the discussion of the program's progress and changes in goals clear and complete? B. Is the action plan to reach the program's goals for the future clear and complete?	New program goal dials into program relevancy with a look back to the 90's...well thought out.

Program Analysis Did the program's analysis of trend data address the following: <ol style="list-style-type: none"> 1. How does your trend data (or other data your area collects) impact your decision making process for your program? 2. Evidence of Program Dialog of data 3. Changes to student demographics (age, gender, or ethnicity) 4. Equity gaps 5. Recent achievements, awards or distinctions, new projects implemented, professional development work, professional conference presentations or recently published work. 6. Description of program/department/office is doing to contribute to Guided Pathways, affinity groups and completion coaching communities. 	Not a deep dive into the trend data. Maybe program review can help with other data next cycle to flesh out the discussion in this area. Good labor market look in goals section however.	

<p>7. Explanation of role if involved in Dual Enrollment, Inmate Education, or Rural Initiatives.</p>		
<p>Resource Request and Analysis A. Were discussions for resources received from previous program review cycle included for each applicable section?</p>	<p>None...there may not have been resource requests from previous cycle.</p>	
<p>Conclusion A. Does the conclusion provide a clear overview of the program?</p>	<p>Think about writing a conclusion that the president might go to first before she reads the rest of the document.</p>	
<p>Have all the appropriate forms been completed? A. Human Resources a. Additional positions —with form(s) B. Resource Requests a. Request—with form</p>	<p>NA</p>
