TITLE OF INSTRUCTOR POSITION: Journalism Faculty

PLEASE PROVIDE A SUMMARY AND RATIONALE OF FACULTY POSITION REQUEST (You may copy and paste from your COMPREHENSIVE OR ANNUAL PROGRAM REVIEW.)

This faculty request is based in the “Leadership and Engagement” Strategic Goal.

Our current full-time faculty member in her 2nd year of her tenure track is forced by the position to always teach overload. As the position requires many hours beyond the classroom commitment in order to put out the Renegade RIP, it would be inappropriate to schedule an adjunct faculty member for any portion of her current commitment. She cannot load bank as, in our current system, she would never be able to use the banked load and she has to turn down leadership opportunities that would elevate the status of BC regionally and nationally because she simply doesn't have the time beyond her overload. This Fall, she had to turn down an opportunity for students and the College to participate in a program that would have connected students with prominent journalists and provided an opportunity to network professionally within the region. As her position perpetually requires her to teach overload, the position itself proves the need for a second faculty member.

Provide data that substantiates the proposed positions. Refer to the guidelines listed in the Budget Decision Criteria and College Strategic Goals documents.
