I am requesting the following:

--HEALTH CONCERN: Offices in Humanities Rm 45 and FineArts Rm 68 and Rm 52 desperately need the carpets to be checked for mold and recommend full carpet replacement. Carpets were cleaned this last summer in the humanities, but were left wet, and closed up. Offices still stink and are feared to be moldy; and I do not know the last time the carpets in fine arts were cleaned. This could have harmful effects on the health of faculty and loss of teaching time.
