I am requesting the following:

<p><i>We desperately need wireless presentation remote for each faculty (quantity 14)</i></p> <p>We got new short throw projectors in our rooms last year (thank you!) and each of us teach in those rooms. Having these ensures the integrity and consistency of lectures and saves us from running back and forth to the keyboard, which is just ridiculous.</p> <p>Cost: about \$20-25 each or \$350</p>
