

**ISIT/FACILITIES/OTHER EQUIPMENT REQUEST 2018:**

Program or Service Unit:	Paramedic Program
Submitter:	Christine Harker
Extension:	4116
E-mail:	charker@bakersfieldcollege.edu

Funding Source or needs funding. Please explain	Needs Funding. This year the equipment requested is very expensive and far exceeds what our paramedic program budget can normally handles.
---	--

**PLEASE NOTE: If you have multiple requests, please submit multiple forms.**

*Please share as many details as possible such as room location(s), type of equipment and/or software requested. If you have a cost estimate, that would be helpful, we will contact you for more details.*

*Please share as many details as possible such as room location(s), type of facilities request, remodel or construction request, safety concern, or furniture request.*

You will have an opportunity to present your request to the ISIT/FACILITIES OR CTE committee.

I am requesting the following:

<ul style="list-style-type: none"><li>• Technology Equipment – Simulator Manikin<ul style="list-style-type: none"><li>○ \$61,087.93 (per price quote) <b>Laerdal SimMom OB simulator</b> manikin. I realize that this is very expensive, however, my thought was that we could share this manikin with the nursing students when they are taking the required OB course.  Or, if the SimMom is not possible, we would like to request the Prompt Flex.<ul style="list-style-type: none"><li>▪ \$7,778. 49 (per price quote) <b>Prompt flex</b> birthing simulator.</li></ul></li></ul></li></ul> <p>Our current OB manikin has been used by our program since January 2004. It is very old and outdated. The baby’s arms are missing, and the mother’s birthing electronics and mechanical mechanism are no longer working properly.</p>
