| Funding Source or needs funding. Please explain | Needs Funding. Fire Technology Program is being converted to "Public Safety Training Programs. |
|---|--|

**PLEASE NOTE: If you have multiple requests, please submit multiple forms.**

*Please share as many details as possible such as room location(s), type of equipment and/or software requested. If you have a cost estimate, that would be helpful, we will contact you for more details.*

*Please share as many details as possible such as room location(s), type of facilities request, remodel or construction request, safety concern, or furniture request.*

You will have an opportunity to present your request to the ISIT/FACILITIES OR CTE committee.

I am requesting the following:

- Technology Equipment
  - \$10,000. On Amazon.com – 84" Interactive touchscreen monitor.
    - The current overhead projectors in the classrooms is blurry and does not the required clarity to instruct our students.
    - We need increased technological clarity in order to properly project images crucial to instruction in this career field. This includes the inclusion of a new "white board".
    - Upgraded tables and chairs in each of the classrooms and main Public Safety Training Office area.
    - Additional Furniture is needed and a future itemized requirement list will be established.
