I am requesting the following:

<p>Facilities Request</p> <p>The Allied Health wing of the Math-Science building was built in 1995. It has been 20 years since the office area and adjoining offices have been painted and carpeted. Carpet is severely worn, stained, and torn which does not present a professional and clean appearance to students, the public, staff, and outside accrediting agencies which frequent the building. The area included is a shared space for office personnel who support the Nursing, Radiology Technology, and Health Information Technology programs, the conference room, Department Chair's office, and Dean's Office; all require new carpet and painting. (MS-178, 179, 180, 181, and 164).</p>
