I am requesting the following:

<p><b>On behalf of the Adult Education Program:</b></p> <p><b>Mobile All-in-One Printer</b></p> <p><b>Explanation:</b></p> <p>The Adult Education team is not housed on main campus and through collaboration, stands to serve students on multiple sites which include BAS Job Spot and Mt. Vernon locations, Arvin, Lamont, Greenfield, and various community organizations. Having access to the requested equipment, would insure proper accessibility and improved student services through-out service.</p> <p>The printer will be used in collaboration with requested laptops, and will be utilized for CASAS Testing which is state mandated via the funding requirement and additionally for Enrollment/ Matriculation services, including Accuplacer / DSPTS supported assessment.</p> <p>All requested equipment will be BC tag but established within the KHSD BAS network per our MOU and similar to the equipment ordered last fiscal year. This will eliminated security issues and need for intrusive IT support from the BC side.</p>
