

Testing and Placement

Staff Meeting

June 28, 2018

In Attendance: Kalina Hill, Juan Estrada, Shelia Fuller, Lovey Chahal, and Janice Smith

Relocation to CSS 10

Kalina and Grace met with Todd Coston and Bill Potter about our move on June 27, 2018. On July 18, 2018, we need to vacate the current building area. Kalina is coordinating with Kirk Russel from the Library, and Bill Mosley from IT to secure a room and computers to use for our students with accommodations exam during those two days. As soon as we have the space confirmed, we will advertise the information.

Retreat- New Date July 24, 2018

Our Retreat date has changed from July 19, 2018 to July 24, 2018. Everyone in the team is encouraged to coordinate a 10 to 15 minutes team-building game. We need to decide where we will have lunch. We will have two guests: Todd Coston has gracefully accepted to speak in the morning session. He will talk to us about the Accreditation team's visit to Bakersfield College and how we can prepare for this important process. The afternoon session will include Yvonne Armendariaz. She will enrich our knowledge and information about Supplemental Instruction.
