6. INDIVIDUAL REPORTS

The Chair shall recognize any officer of the Association, including the BCSGA Advisor, to offer a report on official activities since the previous meeting and make any summary announcements deemed necessary for no longer than five minutes.

a. Director Smith

It has come to attention that members of the Office of Student Life and the Student Government Association have been mistreated by club organization members. There have been issues with the use of my personal cell phone number that I gave out. It was to contact me in a formal way, not in a matter of pettiness. Workers in the office of student life have been screamed at about the email list not being updated. If you have questions concerning this department, please come to me with them. This behavior is intolerable and unprofessional. This behavior may even be considered action for dismissal. Members of this office have been screamed at in public, embarrassing them, the clubs, and the image that this college sets out. People have been complaining about email issues. When they are updated, they are updated. Everything is available to you online. Your public appearance is very important. You represent your club as well as the college. I expect you to act professional when representing the college. Mistreatment of anyone will not be tolerated. I expect all to be on their best behavior. Any complains made about clubs will be done in a formal complaint, and will be heavily considered in your standing as a club and the privileges you have available.

b. Senator Salcido

If you are reserving any of the machines, chairs, r tables, we do expect you to maintain and put back the items that you borrowed. If your club is using a room to hold your meeting, we suggest that you keep the room you used clean. It reflects poorly on all of us when rooms are left uncleaned. Please pick up after yourself if you reserve a room.

c. Senator Montero-Garcia

If you would like to reserve the marquee here on campus, the control of the marquee has been passed on to the responsibility of the BCSGA.

d. Student at large Mireles

No report.

e. BCSGA Advisor, *Dr. Damania*

Homecoming is coming up. It would be great if your organizations got involved with the competitions and activities that we have set up. You have the chance to win bragging rights. It is always fun to compete with one another. It always puts everyone in a great spirit. There is a YouTube challenge in which you create a 30 second video. A pack the Pantry, and a Got Talent competition. It is the week of the 17th. There is a parade that goes along with it. It will be a fun time. We have renegades at the fair from 3:00 p.m. -10:00 p.m. I sent out an email in how to assist. You will receive 2 tickets and a parking pass if you choose to volunteer. I am opening this event up to clubs as well. Your club can have a table out there. It is a great time to advertise yourselves and have some fun. By October, I will open up the awards by the end of October. If you want to submit any nominations, the final time to do that will be in March for the awards offered. If you have any questions, please let me know.
