

Program Review Assessment Reports: Instructions for Review

Assessment Committee, 2021-2022

Instructions

1. To begin your review, please go to eLumen and toggle to the Faculty role in the drop-down menu at the top of the screen. After doing so, click on the “Strategic Planning” tab. Then, open the drop-down menu under “Organization” and select the program whose Program Review you will be looking at, as seen below.

The screenshot displays the eLumen user interface. At the top, the eLumen logo is visible. Below it, the user's name 'Faith Bradham' is shown with a role dropdown set to 'Faculty' and a department dropdown set to 'Library Science'. Navigation icons for 'Inbox', 'Account Settings', 'Support', and 'Log Out' are present. A secondary navigation bar includes 'Courses' (set to 'Fall 2021'), 'SLOs & Assessments', 'Curriculum', 'Results Explorer', and 'Strategic Planning'. The 'Strategic Planning' tab is highlighted with a red arrow. Below this, there are sections for 'Initiatives' and 'Accreditation Self-Study'. A term selection bar shows 'Fall 2021' as the active term, with other terms like 'Summer 2021', 'Spring 2021', 'Fall 2020', 'Summer 2020', and 'Spring 2020' available. A message states 'No Parent Cycles found'. The 'Organization' dropdown is open, showing a list of programs including 'Library Science', 'American Sign Language', 'Architecture', 'Art', 'Automotive Technology', 'Business Administration', 'Child Development', 'Communication', 'Computer Science (BC)', 'Construction Technology', 'Crop Science', and '2021-2022 Hybrid Annual Update Library Science'. A red arrow points to the 'Library Science' option. To the right, there are dropdowns for 'Type' and 'Included in this term', both currently set to 'None selected'. Below these are sections for 'Description' with two entries: 'This is the program review for those areas that are both instructional and non-instructional' and 'This is the initiative that will allow you to make requests with your 2020-2021 Program Review Cycle'.

2. Once you've selected the program you want to review, you will see the Program Review for that program pop up, as seen in the screenshot below. Click on the Program Review.

- When you open the Program Review, you will see a drop-down menu at the top that will allow you to toggle directly to the Assessment Report Parts 1 and 2 (as seen in the image below). Click on Part 1 to begin your review. Please take notes on each section of the Assessment Report in the Assessment Report Feedback Form, using the Program Review Assessment Report Guidelines for Feedback for help.

- If you are the first member of your team to look at this Program Review Assessment Report, pause here and send your notes to your team-member. Your teammate should also look at the Program Review Assessment Report and make their notes. Once you have both looked at the Assessment Report, please make sure (via email, Zoom, or however works best) that your feedback aligns with each other so that there is one cohesive set of feedback you will leave for this Assessment Report.
- When your team has aligned their feedback to create one cohesive set of feedback for the Assessment Report, head back to the top of the Program Review. There you will see a section for Program Review Feedback with a slider at the bottom. Slide the Feedback area over until you see the box for Assessment (as seen in the image below). This is where you will copy and paste the feedback your team has written for this Assessment Report. When you have pasted your notes into the box, hit "Save as Draft."
Note: Do NOT hit publish! That is for the Program Review Committee to do. Assessment Committee should only save draft.
