In groups, brainstorm all of the stereotypes you have heard about the 5 people groups listed. Do not fill in the second column until you are instructed to do so.

People Group	Stereotypes about the group	How individuals depicted and information presented confronts the stereotypes
Muslim Women	terrorists, fear of confrontation, weird for wearing headdress, shy, oppressed	they aren't any of the things people assume and it is just their religion
Undocumented People (categorized by the US government as "illegal aliens" or "undocumented aliens")	trashy, job stealers, unlawful, dirty, rapists, fugitives, Mexican	American! they deserve rights just as others in America
Homeless People	drug addicts, dirty, not trustworthy, scary, prostitutes, lazy, uneducated	they can be working homeless and do not always fit these stereotypes
Asexual People	cat lady, lonely, vain, weird, different, somethings wrong w/ them, romantics	they choose to be this way and they are not lonely because they can also be romantic
Transgender People	gay, weird, freaky, un Godly, drag queens, feminine	act normal and that is how they want to be, they believe they were born this way
