

Mary Jo Pasek Accomplishments, 2013-14

- Successfully hired 13 faculty, 18 adjuncts and 26 classified through the last day of November 2013
- Spearheaded a project to begin the process of initiating the first Kern Ag Summit at Bakersfield College. This includes landing the California Secretary of Agriculture as a speaker and having our Congressman agree to be the honorary chairperson
- Worked on our 100th graduation attracting 20+ VIP's to the event either in person or on tape
- Preparing the list of candidates for the President's Circle
- Former BC Ambassadors, which will be our core volunteers on the campus during the upcoming years
- Initiated the discussion of our re-opening of the Performing Arts Center and Indoor Theatre.
- Planned the reception for the Younger donation to the BC campus
- Have begun to review and examine activities surrounding the booking of rooms and events on the campus
- Joined Facilities Committee and Safety Advisory Group
- Currently working with staff on a master calendar for the front of the BC website
- Site visit to look at software for event planning
- Community involvement includes Breakfast Rotary and Bakersfield Women's Business Conference. We had a presence at the Conference, received an award and I spoke to a break out session. This is my fifth year to chair the wreath laying at the Bakersfield National Cemetery for my Rotary club. Won a Beautiful Bakersfield Award last week for that work. Also mentor at Junior League and was part of the fundraising activities as well.
- American Cancer Society Board Member and named to executive Team for Relay for Life
