

## **Outreach and School Relations Department 2013-2014**

Bakersfield College has renewed the college's outreach efforts with focused emphasis on area high schools and rejuvenating the college's relationship with students coming up through the Bakersfield's educational system.

The Outreach and School Relations Department is responsible for coordinating all outreach efforts conducted by the college.

### **Spring 2014 Accomplishments**

- March 12<sup>th</sup> – Hosted the Kern High School District Head counselors luncheon – 25 counselors attended the annual luncheon
- March 31<sup>st</sup> – April 11<sup>th</sup> – Assisted the Counseling Department with developing student educational plans at 14 service region high schools. Eight hundred students benefitted from this service.
- April 29 – Hosted the 2<sup>nd</sup> Annual President's Breakfast for high school leaders. Forty-two educational leaders attended the program.

The department will play an important role in connecting the area high schools and the Kern County community with the educational services provided by Bakersfield College.
