I. Call to Order

Brent started the meeting at 10:32 am. Quorum met.

II. Good, Welfare, & Concerns

Tracie Grimes will replace Denise Mitchell.

III. Presentations

a. Competency-Based Education (CBE)

Erica started with a quick overview. She reviewed how it would help students. Jessica talked about the collaborative we may be approved for as a pilot. Jennifer went over FAQs like guarantees from CSU and UC, grades, faculty workload/compensation. BC will need to select a program to pilot. For example, if ENGL was chosen, BC would have an ENGL AS and an ENGL CBE AS. Is it an either-or degree? Jennifer said it is one or the other, not a mix-and-match. Are cohorts going to be cycled in? May have scheduling implications. Will there be training for faculty? Professional development is part of the process. The three programs that expressed interest were Culinary Arts, Communication, and Education.

V. Reports

a. **Faculty Co-Chair**

Brent mentioned that on 4/12/2021 there is a forum to introduce the three Chancellor candidates. The Senate nominated Faith Bradham to be the next Assessment Faculty Co-Chair pending approval. Brent updated the list of ILOs and GELOs on the committee website to include the recently added area E.2.

b. **Administrative Co-Chair**

Lora thanked Brent and welcome to Faith. She asked if everyone had been checking out the Renegade Round-Ups regarding the opening of the BC campus. She gave an enrollment update; we had some late start classes and we are better than we were. We went from a 30% to 4.8% drop from last spring to this spring. There is a new way in which students may be able to auto-enroll in classes through Starfish.

c. **SLO-PLO/SLO-ILO/SLO-GELO Mapping**

Brent posted a new list. ILOs are 63% done and 18% GELOs. Brent is going to reach out to individuals. Please send any completed mappings to Brent.

d. **ILO Sub-Team**

Survey closed and there was a good response. Sooyeon mentioned 1,351 responded. She shared her screen with how students responded. Results are still preliminary. Lora was impressed with the information and the number of responses. If you have specific research questions that could be answered from the data collected, please reach out to Sooyeon.

VI. Assessment Roundtable

Steve shared an update to AUOs and Program Review. ACCJC standards only mention SLOs, but the institution as a whole should be focused on student learning. Created four college-wide AUOs to map to four ILOs. Qualitative reports for AUOs are done via Program Review. Steve is leading the development for reporting quantitative AUO data in eLumen to match quantitative SLO data to have one ILO reporting for the entire institution. Currently in progress and being piloted in the test version of eLumen.

VII. Opportunity to Address the Committee (2 minutes per item)

None.

VIII. Additions to the Agenda (immediate action required, which did not come to the attention of the Co-Chairs until after the agenda was posted; requires 2/3 vote of members present)

None.

IX. First Agenda (non-voting item)

None.

X. Second Agenda (voting item)

None.

XI. Unfinished Business

a. **2021-22 Program Review Assessment Report**

Brent got the updates in eLumen. Anthropology gave permission to use their information for the example.

b. **Survey for adjunct/PE SLO assessment process**

Lora mentioned the form and presented it to a faculty member to give to a professional expert to complete. The faculty member entered it into eLumen, said it was easy, and that all of the information they needed was there.

c. **Form to enter SLO data for adjunct/PE**

Tabled.

XII. **New Business**

None.

XIII. **Assignments for SLO/PLO Review**

List posted to committee website.

XIV. **Adjournment**

Brent ended the meeting at 12:02 pm. Last scheduled meeting is April 23, 2021.
