Chair Report: Grace and Jessica College Council: Read President's email regarding covid protocols changes. ASCCC/ACCJC Accreditation Institute: Accreditation Institute was geared towards the ISER, not much on the Midterm. GP SOAA: a draft has been posted on the committee page. Delano Campus Groundbreaking event: You are invited on Friday, 3/11 at 9:00 am. No meetings on Spring Break	5 minutes
Assessment Update: Rockey	5 minutes

Commented [GC1]: Was not present and notated in minutes for next meeting, should have been corrected.

Update on Midterm report from Jason and Diana: assessment is doing well except in one area: providing evidence of improvement. PAR, closing the loop section will be voted next meeting.	
Program Review Report: Kim PR is getting initiatives ready on Elumen. PR will be doing training for PR members so that they can share with their departments/areas. PR starts April 1 st this year.	5 minutes
Midterm Team Update: Jason & Leo The Midterm team has visited 12 committees so far, they have received a lot of feedback. Next the team will present the document e-board and then to Academic Senate. ASCCC/ACCJC: They are revising standards, addressing redundancies and standards should be reduced to nearly half of the number they currently are (roughly 150).	5 minutes
ISS Standards Review Purpose of ISS is to look how we are doing as an institution. Purpose of AIQ is to highlight areas we are doing well, potentially review standards and make recommendations for potential areas where we are below standard. Certificate, Associate Degree and ADT's are above ISS, and one of the areas that should be highlighted for hitting above goals. Discussion on online classes ISS.	30 minutes
Meeting adjourned at 3:58 p.m.
