2. Chair Report: Craig and Jessica

**Accreditation:** The accreditation visit was a success! The visiting team chair reported no recommendations. While no commendations were formally announced, the chair took the time to praise BC’s governance structure, outreach/rural initiatives, and professional development. The chair highlighted three committees: Program Review, College Council, and AIQ!

**Accreditation Survey:** The annual fall survey addressing Standard IV will be opened on Thursday, October 11th. The invitation to participate in the survey will be sent to BC all. We’ll see how the participation is at our next meeting to determine when to close the survey.

**ISS:** AIQ’s recommendations were taken to Academic Senate. Once approved, they will be taken to College Council. OIE will continue the process of developing a report per the steps outlined for how BC responds when
AIQ welcomed new classified member Gamaliel “Leo” Ocampo.

### 3. Program Review: Kim

All early submissions have received feedback. The process is going well. Feedback is due on October 26th.

Program review hosted members of the accreditation team during the site visit and also participated in an interview.

### 4. Assessment Report: Brent

Mapping project continues. Assessment committee is working through the process to review SLO’s and ensure the process flows smoothly to not disrupt the curriculum process.

During the accreditation visit, the visiting team interview with the assessment committee highlighted the need to further refine the process to ensure the SLO’s reported in syllabi are accurate for online courses (5 syllabi appear to have had some issues).
