Definitions

¹ **Source:** ODS Reports (July, 2012)

² **Student Headcount, *Unduplicated*:** Number of students enrolled on census day, where each student is counted one time.

³ **F-t-F:** Face to Face delivery mode.

⁴ **Enrollment:** Every course in which students are enrolled on census day.

⁵ **Students/Section:** Student enrollments per section on census day. Cross-listed sections are not combined.

⁶ Acronyms **FTES** and **FTEF** represent full-time equivalent students and full-time equivalent faculty, respectively.

⁷ **FTES/FTEF:** A measurement of productivity where the generally accepted target is 17.5.

⁸ **Success rate numerator:** Number of course enrollments with a successful passing grade (A,B,C,P/CR).

Retention rate numerator: Number of course enrollments retained through the semester (grade = A,B,C,P/CR,D,F,NP/NC,I).

Success and Retention rate denominator: Number of enrollments retained (A,B,C,P/CR,D,F,NP/NC,I), withdrawn (W), and dropped (DR).

Note: Beginning Summer 2008, DR grades are in the denominator, generally leading to a higher denominator and lower rate; DR assignment occurs when a student drops between census day and the last day to drop without receiving a W (30% date); DR grades did not exist before Summer 2008.

⁹ Distance education retention and success rates not displayed if only one distance education course was offered.
