https://www.bakersfieldcollege.edu/president/dof-awards-submission
Janet Fulks, Dean of Institutional Research, shared information regarding two grants that BC has recently submitted:
a. **Department of Finance (DOF) Innovation Award** - The program is expected to reduce the time it takes students to complete degrees and credentials, reduce the total cost of attendance for students. BC proposes to focus on three main objectives. If selected as a grant recipient, BC would receive $2.5 million to focus on and accomplish the following for students:
   1. **Clarify the Path** - Create relentlessly clear pathways for all students
   2. **Get on the Path** - Improve intake and onboarding processes for all students
   3. **Stay on the Path** - Further integrate academic support service with instruction for a seamless college experience

b. **College Promise Grant** - The BC Promise Program, “a scaled iteration of the Renegade Promise”, in close partnership with Kern High School District and California State University Bakersfield. Its two main goals:
   1. Timely Completion - Priority access to classes to ensure a full-time (30 unit) academic load each year along with coaching communities/support services.

**Additions to the Agenda**

Academic Senate Minutes of November 30, 2016

**A motion was made to review and approve the Academic Senate Minutes of November 30, 2016, M/S: McQuerrey/Stanifer; Motion passed unanimously.**

**President’s Report** (Holmes)

- **Minimum qualifications** - Deborah Rosenthal to be the lead, John Gerhold and Michael McNellis are also both familiar with the process. The link for Minimum Qualifications is located on the Senate website: [http://www.asccc.org/sites/default/files/2014MinimumQualifications.pdf](http://www.asccc.org/sites/default/files/2014MinimumQualifications.pdf)
- **2017 Faculty Position Requests** - FCDC maintains the list of approved positions by the President. As of today, there are 35. This list has been posted to the Senate website.
  - The Senate questioned if it was a requirement to have an “outside rep” serve on the screening committee. This is past practice and a recommendation when possible; however there is nothing stating this requirement in Board Policy.

• **Online Education**- Bill Moseley, Dean of Academic Technology, has asked if the Senate would be interested in creating an Ad Hoc Committee for *quality control with online information*. The Senate agreed to make a faculty committee call to start up this committee.

• **District Consultation Council (DCC)**- has approved and moving forward to Board of Trustees (BOT) Chapters 1, 3, 4, and 6. Chapters 5 & 7 are pending. Chapter 2- Delegation of Authority is also moving forward to the BOT and then bring back to DCC; Holmes will look into this by contacting the BOT and inform them of the Senate’s consensus.
