OPPORTUNITY TO ADDRESS THE SENATE
a. Classified Adjunct Instruction (Thomas Moran)
   Tom Moran, Foreign Language Professor addressed the Senate on behalf of the ASL/Foreign Language Dept. regarding concerns of a new policy, which does not allow classified staff to teach as adjuncts. This causes increasing difficulty in securing qualified instructors. Moran asked the Senate for support as he peruses this matter. Holmes recommended a meeting with Human Resources as a first step in addressing the issue. The Senate Office will set this up and provide a follow-up after this meeting takes place.

**Accreditation and Institutional Quality (AIQ) Committee March 22, 2017 Written Report**
*Report prepared by Mark Staller, AIQ Faculty Co-Chair*

The Accreditation and Institutional Quality committee last met on Tuesday, March 21, in Levinson 40 from 3:30 p.m. to 5:00 p.m. Here are three highlights from this AIQ meeting:

- Jason Stratton, Faculty Co-Chair of the BC Self Evaluation Report, updated the AIQ committee members on the progress of the BC Self Evaluation. Jason reported that we are on track to have all Standard work teams produce a first draft of their section of the Self Evaluation report by the May 1 deadline. Standard work teams are at various stages of collecting evidence, writing, and seeking guidance on their sections.
- Janet Fulks, Administrative Lead for the Quality Focus Essay (QFE) reported that one possible topic of concern for the QFE may be how BC schedules classes. In order for students to get through their educational pathways in a timely manner, BC must schedule classes in a way that allows students to complete their education in a prescribed number of semesters.
- Kate Pluta, Administrative Co-Chair of AIQ, announced that there will be a summer Accreditation Institute for Standard Co-Leads on May 22 and May 23.

Here are some important upcoming dates related to Accreditation:

**April 4, April 25, and May 9:** The three remaining AIQ committee meetings for this semester. AIQ acts as the steering committee and “trouble shooting” team for the Self Evaluation report. If you have any accreditation questions or problems that cannot be answered or solved by the Self Evaluation Team (Chaired by Liz Rozell and Jason Stratton), you can contact AIQ for assistance. The AIQ Committee meets from 3:30 p.m. to 5:00 p.m. in Levinson 40 on the above dates.

**March 31: Accreditation Laboratory** hosted by the AIQ committee. Join us on March 31, 2017, from 8 a.m. to noon for an Accreditation Laboratory. We will start the day in Business 7 for a brief orientation session that will cover some of the “nuts and bolts” of researching and writing the Self Evaluation report, then we will split up into work group teams (meeting in three different rooms) to get more Self Evaluation research and writing completed. If you are on a work group team, plan on attending this accreditation laboratory to get a substantial amount of work completed on your section of the Self Evaluation. You will be able to get help and advice from AIQ committee members and from “expert” researchers and writers involved in past iterations of BC’s Self Evaluation and/or Mid Term reports.
May 1: Deadline for the first draft of the 2017-2018 Bakersfield College Self Evaluation. In order to receive the commendations we wish to receive from ACCJC, all work group teams should be aiming to turn in a substantial first draft of their section of the Self-Study, including evidence and documentation that is properly named and referenced.

May 22 & 23: Summer Accreditation Institute for Standard Co-Leads (more details to follow)

If you have any follow-up questions or concerns about this AIQ written report, you can contact Kate Pluta (AIQ Administrative Co-Chair) or Mark Staller (AIQ Faculty Co-Chair). Many thanks to all the faculty and staff who have gotten involved in the Accreditation process and who are busy researching and writing their Standard sections and subsections of the BC Self Evaluation report.

Enrollment Management Committee
March 7, 2017
By David Koeth

In attendance: Nan Gomez-Heitzeberg, Sue Vaughn, Zav Dadabhoy, Phil Feldman, David Koeth

A. Call to Order (Nan/David)
Meeting was called to order at 1:30.

B. Follow-up Pilot Survey (David, 10 min)

David - Planning on using the survey discussed at the last meeting for next semester in photography, graphic design, and media arts. The survey will ask about courses that the students plan to take in the next semester, and will ask about major/career path. He mentioned that he had communicated with Janet Fulks about the pilot, and she encouraged the effort.

Sue mentioned that the software “Starfish” will be implemented soon which will include this type of information. Zav said that at the end of the semester, Starfish should be up and running. Gives metrics based on cohorts, does a better job of student education plans than DegreeWorks.

Sue – DegreeWorks does degree planning and auditing, but not ed plans well.

Nan – Starfish will impact the streamlining of enrollment management and matriculation process.

Zav/Sue – CCC Apply – KCCD security problem, the way we implemented CCC Apply was less than optimal. There are a few schools that do it the way KCCD does it; it requires an additional step. KCCD had a security issue, and implemented the system in this way, which results in students end up in a queue. 3000 students were stuck in the queue, and it took many staff hours to “find” and enroll these students. The district needs to revisit this issue to make registration easier for students.

C. New Programs, Strong Workforce Development
Postponed to a future meeting – Cindy Collier not available for this meeting.

D. Strategic Goals Report

2.1 Simplify matriculation process
The committee needs to work with other committees to work on our part of the report. The committee will invite Janet Fulks, Grace Comiso, Sue Vaughn, to discuss multiple measures, removing barriers, simplifying the matriculation process.

Discussion on demographic tracking, multiple measures. Sue asked “How can multiple measures be automated for our non-traditional students?”

2.5 Implement Student Development courses in High School.
High school dual enrollment course – tracking is being done by Janet Fulks. Committee will invite
