NEW BUSINESS

Sue Vaughn from Admissions and Records will be invited to address the Senate for discussion and clarification for the difference between “dual major” versus “2 majors.”

Baccalaureate Task Force Proposal (Klint Rigby)
Klint Rigby discussed issues relating to having Baccalaureate degrees at BC and would like to establish a task force to address all areas that would be affected. Currently there is a Baccalaureate degree proposal in Industrial Technology. This is an example of just one program that could potentially abound to more programs, such as CTE, Nursing, Automotive Tech, Agriculture, Hospitality, and Culinary Arts. Pat Coyle addressed the senate as proxy for Gayla Anderson and talked about the opportunities in the hospitality field. Lisa Harding stated that we should look at this as an opportunity to be aligning ourselves (BC) to be chosen as the Baccalaureate site. We need to be more proactive than reactive to get this proposal into motion. It could be any program that can be selected. People from all levels will be needed to participate in this task force. There is also a need for faculty support this BAC Degree program at the Board of Trustees meeting.

GOOD AND WELFARE
There were no additional comments or questions for the Academic Senate.
