I. CALL TO ORDER
The meeting was called to order at 3:34 p.m.

II. GOOD, WELFARE AND CONCERNS
Holmes introduced Wendy Lawson, Administrative Assistant for Academic Affairs who is joining us for the meeting.

III. OPPORTUNITY TO ADDRESS THE SENATE
a. Bakersfield College Accreditation Survey 2017
Janet Fulks (Biology Faculty/Research Liaison) and Julian West (Ed Advisor-SS&E) together presented the BC Accreditation Survey to the Senate. The campus wide survey results were shared. Of those who participated in the survey, support for President Christian’s leadership remain high, while support for district office’s business services dropped significantly. It was discussed most adjunct faculty don’t deal with certain parts of the survey and are not always aware of the difference between main campus services and district services. Possibly this should be controlled in future surveys.

The full version of the presentation (power point) is located on the Academic Senate website.

IV. ADDITIONS TO THE AGENDA
There were no additions to the agenda.

V. REVIEW AND APPROVE THE MINUTES
Minutes of October 11, 2017

N. Stanifer motioned to approve the minutes, S. McQuerrey seconded, motion carried.
VI REPORTS

PRESIDENT’S REPORT:
- Senate Photo scheduled for 11/8
- DCC – the Technology Governance Process Proposal is approved to move forward; however, it has been recommended to have a point’s based approach to allow specific items to be weighted per college/DO recommendations.
- BP2430-2437 Proposed Changes by the Academic Senate (Board Policies on Delegation of Authority to the District Chancellor) was not supported by the Cerro Coso Academic Senate.
- Pending discussions by the Vice Presidents of the colleges, the waitlist will no longer be purged the Friday before Census Day and will now be purged the day before; after the last roll of waitlist students will be allowed into classes.
- ASL Classified staff- now being referred to as CSEA Adjunct Faculty, which has received unanimous consent from District and will move forward after some additional research is completed.
- DO Strategic Plan expires in 2018; District wants each campus to align with their plan; However, Holmes recommended it would be best to have individual college plans, which in turn will align with District.
- Educational Administrative Retreat Rights- it was originally understood that non tenured faculty who move to an interim admin position may return/retreat back up to one year; however, when Legal Counsel addressed this item, it was realized that it doesn’t apply to interim positions. Retreat rights only allow to you go back to your initial status and only applies to permanent positions and administrators.
- The Participatory Governance Workshop is scheduled for Nov. 28; the event will be livestreamed.
- Ongoing Campus Safety concerns were shared with Chancellor Burke. The Senate was reminded that Joe Grubbs, Risk Assessment & Management came to visit Senate a year ago stating he was creating a campus Safety Plan. Holmes will inquire for an update.
- Committee websites will be updated to meet government code
- Fall Plenary: D. Rosenthal and L. Harding will be attending the conference.

COMMITTEE REPORTS:
(AIQ)ACCREDITATION & INSTITUTIONAL QUALITY (Wojtysiak)-report submitted as written

Academic Senate Report
Prepared by Jessica Wojtysiak, Faculty Chair
October 25, 2017

The Accreditation & Institutional Quality (AIQ) committee continues to meet every other Tuesday from 3:30 to 5:00 p.m. in Levinson 40.

Liz Rozell and Jason Stratton continue to oversee the development of the Institutional Self-Evaluation Report (ISER). Liz, Jason, and the chairs of AIQ are meeting with the standard leads to provide support for draft development. The Standard III focus group is being planned for
November. The accreditation communication team will be requesting the opportunity to present to department meetings.

We closed the accreditation survey to evaluate district services. The survey results are being analyzed by a team of data coaches. The results were reported to the Academic Senate Executive Board and will be reported to Academic Senate.

Krista Moreland volunteered to replace Andrea Thorson as faculty lead for Standard IV.B.

On October 10th, the members of the AIQ committee voted to not require the reporting out of Strategic Directions for fall, 2017. Instead, AIQ encourages those responsible for Strategic Direction reports to focus upon the preparation of their reports for Spring, 2018, which is the close of the current three year cycle. We hope this decision lightens the load of those responsible for the preparation for the Strategic Directions reports. For those who have already completed the fall update, we recommend report preparers use that information to create the final document for Spring, 2018. The Strategic Directions taskforce continues to plan the development of the next Strategic Directions cycle. They plan to visit committees and department meetings to solicit feedback on potential initiatives.

**ISIT** INFORMATIONAL SERVICES INSTRUCTIONAL TECHNOLOGY (Marquez)-report submitted as written

Information Systems Instructional Technology (ISIT) Report: October 11, 2017
Prepared by Richard Marquez, ISIT Co-chair (Todd Coston, Administrative Co-chair)
The last ISIT meeting was held on Monday, October 2, 2017. Several items should be of particular interest to the Senate:

**Presentation of District Technology Master Plan**
We had planned for Gary Moser, CIO to deliver a brief presentation to the ISIT committee; however, because of technology issues that were occurring at that time, he was unable to attend. We shall reschedule his presentation and report on it at a later date.
Committee Goals
The committee voted to approve four new goals for this year. The ISIT committee website will be updated to reflect our new goals.

Our fourth goal reflects our commitment to accreditation by making sure our campus community understands ISIT’s role in responding to the Technology Standard, IIIC. We’ve asked our department reps to share any information disseminated in ISIT committee meetings with their departments. As a way to measure and track our achievement of this goal, we’ve also asked committee reps to share their department reports with the ISIT co-chairs. Look for your department reps to share this important accreditation information.

Canvas and Other Teaching Technology
Matt Jones and Tracy Lovelace continue to provide workshops on Canvas and other learning technologies. Please continue to check the Professional Development Workshops page for information.

Accreditation
A subset of our ISIT committee is currently working on addressing the Accreditation Standard IIIC: Technology. The work that has been completed so far is currently available on the ISIT website. For each of our next meetings, we will be sharing with the committee the responses that have been drafted for each of the questions posed within the standard.

At the last meeting we shared the response to Standard IIIC, Question 1, giving ISIT members the opportunity for input. We’ve asked our members to share this information with their departments and solicit any input. Any comments, suggestions, or questions may be directed to the ISIT co-chairs.

Accessibility Presentation
Terri Goldstein, Director DSPS, was invited to present an overview on Accessibility and what our campus community’s requirements are for supporting our disabled students. She provided a general overview of the legal requirements as well as definitions of terms. Terri will return periodically to share more information to help us understand ISIT’s role in Accessibility.

The next ISIT meeting is scheduled for Monday, November 6, 2017, at 3:30 in the Collins Conference Center.
