OPPORTUNITY TO ADDRESS THE SENATE

Closing the Loop (Giacomini)

Mike Giacomini presented Closing The Loop-Bakersfield College; visit the Academic Senate Committee website to view the full presentation.

Description: Closing the Loop Document started in the spring of 2013 and was presented to College Council. The idea behind this document is to connect how resource allocation is connected to the strategic goals of the college. Since then, this document serves as a tool to reflect on the progress of the strategic goals and to calibrate the activities of Bakersfield College.
College. This document is the result of the work of several governance and campus-wide committees’ efforts along with the responsible lead administrator

**Highlights**

- **Budget & Finance - GUI & Restricted Programs**
  Our GUI allocation increases as we continue to grow as a campus (4-6% annually).
  The Student Center Funding Formula (SCFF) is not reliant upon FTES, but only 70% of our funding comes from this source and the rest is dependent on outcomes.

- **Personnel**
  [FON] Full-time Faculty Obligation - The California Code of Regulations (CCR), Title 5 section 51025 requires community college districts to increase their base number of full-time faculty over the prior year in proportion to the amount of growth in funded credit FTES.
  [FTES] Full Time Equivalent Student - steady growth over the past five years.
  After we hired the allotted number of faculty, the Chancellors Office sent out an updated FON calculation incorporating a “deficit factor” that is based on the unfunded SCFF revenues which in turn wipes away our FON increase.

- **Technology - Program Review reports have been received and are currently being reviewed to prioritize the various requests.**

- **Facilities - An assessment of the facilities and needs have been identified. Planning incorporates Budget, State Mandated Funds, & Measure J Funds. Focus is on utilities and its usage.**

- **Professional Development - More focus on onboarding and training.**

- **Categorical & Grants - [BFAP] Board Financial Assistance Program’s allocation has increased due to our student growth.**
  - EOPS, CARE, CalWORKs, NextUP are some of the grants the Financial Aid department oversees.
  - Positive stat: 3-year Cohort Default Rate - 85% of students are getting jobs and paying loans.
  - College Futures Foundation Award (new award this year) and pushes us over 9 million dollars in award funding.
  - Areas briefly discussed - Student Life, VETEA, Strong Workforce, CSUB Title V Cooperative Grant, Institutional Block Grant, CCPT2 Grant - funding is all

**Inmate Scholars Program (Hirayama)**

Bryan Hirayama, Professor of Communication/EODAC Co-Chair introduced the Inmate Scholars Program team:

- **Angelica Perez, Program Manager**
- **Aguilar**

Hirayama shared that the Inmate Scholars Program started with one prison, one class, one location (4 yards), and one dining hall. Now, we are in nine prisons, which includes 13 yards, offering 68 sections, and are up to 38 faculty. Students are receiving certificates in multiple areas and along with an ADT in communication. Hirayama asks Senate to share with students about the Free on the Outside Club (FOTO), which is a student organization that serves those who have been formerly incarcerated.
For more information, visit the Inmate Scholars website:
https://www.bakersfieldcollege.edu/inmate-scholars-program

Bakersfield College saw its first Inmate Scholars Program cohort graduate on August 28, 2019. These seventeen inmate students at Kern Valley State Prison received their associate's degrees after making the decision to utilize this opportunity and better their future with education.

AIQ Report to Academic Senate
November 20, 2019
Grace Commiso, Faculty Co-Chair AIQ

Review of meetings
Meeting changes:
• Adjusted regular meeting times to accommodate faculty schedules. Moved back to 2nd and 4th Tuesdays for 1 hour instead of 1.5 hours.
• Addressed membership changes, from new faculty co-chair to new faculty additions by pathway, and updated the charge to adequately reflect membership changes approved in 2018.
• Provided charge for senate approval 11/20/19.

KCCD District Climate Survey:
• Reminder time is running out to complete it.
• We encourage all to participate. It will only take about 20-25 minutes to complete.

BC Educational Master Plan Process Kick Off
• Just an FYI the process is starting and more to come in spring.
  Look for upcoming open forum’s to provide feedback and be a part of the process.
• Presented potential timeline to College Council in October however it will need to be adjusted.
• Currently, Academic Senate 1st Review is slated for February 19th with approval March 4th. Again, this is a tentative timeline.

BC’s Accreditation & Services Survey
• Committee spending a lot of time to comb through both surveys traditionally administered, and compare with current KCCD Climate Survey.
• Will condense to one survey, however there will still be some duplication.
• The new survey will be administered in spring.

Review of ACCJC Policies
• https://accjc.org/eligibility-requirements-standards-policies/
• Will review next meeting to ensure we are following all requirements.

**ASCCC Rep** (Harding)- *Submitted as written*
ASCCC Fall 2019 Plenary Update
*Newport Beach Nov 7-9*

*Breakout sessions are posted on the website, ppt from each session are available as a download if you want more information.*

*Program Review using a guided Pathways Framework to be more student focused*

*Lots of focus on Anti-Racism, infusing equity, diversity and inclusion into the culture of ASCCC and colleges*

*Resolutions:*
  - *Lot of debate over term limits and the “trickling” process. We will see a change in the way officers are voted in during spring Plenary*
• Diversity and Equity resolutions passed- I was asked to vote no by many faculty (3.02 and 3.03)
• Hold Harmless passed (5.02) I voted no
• Several resolutions re: ESL were brought forward and then pulled by the mover, she requested the exec board perform a more thorough review for credit of ESL and funding re AB705 and will bring back a report, with further debate in Spring if needed
• Resolution for the Canvas Name option- allows students to change the name they “go by” in order to be more inclusive. A warning from other faculty that students can change their name to whatever they want it to be and it does not seamlessly transition to grade entry with Banner or other platforms.

All resolutions are posted soon to the ASCCC website, thank you for allowing me to represent you.
