Brief overview or synopsis of your proposed travel *

ASL Club will have a PowerPoint presentation along with the Officers of the ASL Club adding details about the Trip.

Rationale of the proposed travel *

The MATA Expo will enhance the learning experience of all students involved by immersing them into an environment that requires them to use the skills they have learned in ASL thus far. It will help the ASL students grow more comfortable with being around the Deaf community and being comfortable with interacting with other students they are meeting for the first time, which will help them be more comfortable with interacting on campus with StudOrg activities and events.

Please indicate the methods you plan to use for advertisement and promotion for your travel. Please explain what methods you are planning to use to select the participants. *

ASL Club will email ASL instructors to announce to their students. The announcement of the event was made at the first ASL Club meeting of the semester. The event will be for members of the ASL Club who are in or have passed ASL B2 due to the level of knowledge of ASL needed for this event.

Will you StudOrg or a member of your Organization be presenting? *

Yes

Methods of Evaluation *

upon returning to Bakersfield College from the event, ASL club will ask participants what they thought of the event, what they liked, disliked, would they like to see this event done again in the future and just their overall experience with the event.

Advisor statement

MATA EXPO is an international social-media enterprise expo and is more than just a trade-show. It is a great opportunity for Deaf and hearing individuals from all walks of life to learn about their services and products. MATA EXPO supports expanding the Multicultural Awareness in the public society.

This will be a wonderful trip for our ASL 2 up students to see the exposure of American Sign Language and other signed languages from other countries - Japan, Philippines etc.

Students will see different booths, performances, games and chance to get prizes - all prepared by Deaf persons. This experience will give them a new feeling like they are entering into a foreign country.
