

Vision Statement

Bakersfield College is committed to ensuring that our services are equitable and accessible to all members of our community, including those with disabilities. Implementing accessibility practices is not difficult, but it involves the entire campus community. In the spirit of the Bakersfield College Core Values, the Accessibility Task Force will strive to engage with faculty, students, staff, and community members to identify and explore areas of concern, develop campus awareness, and assist the College in designing and adopting exemplary practices and policies that foster an equitable campus environment.
