

Accreditation Task Force Report for FCDC meeting of 02/23/2018.

Prepared by Liz Rozell

This week the Accreditation Core Team met to evaluate the communication timeline for the ISER. Intensive final editing work continues in preparation for review by the KCCD BOT Accreditation Subcommittee. Important dates to note on the subcommittee timeline are:

- February 26, 2018      Standard I Draft due to subcommittee
- March 8, 2018        BOT Review of Standard I Draft
- March 30, 2018      Standard II-IV Drafts due to subcommittee
- April 12, 2018      BOT Review of Standards II and III Drafts
- May 3, 2018         BOT Review of Standard IV Drafts (with detailed presentations on IV.C and IV.D)
- June 14, 2018      BOT First Reading of Final ISERs
- July 12, 2018      BOT Second Reading of Final ISERs

On April 20, 2018 the ISER and QFE reveal will take place at the Delano Campus. It will be streamed/ zoomed to the Panorama Campus in L149 and L147.

The current ISER timeline developed by the Accreditation Core Team is undergoing some minor revisions and will be presented at the next meeting.

Thank you,

Dean Liz Rozell
