*March 1*: Review final proposal with College Council.
Our Journey

• Reviewed existing organizational charts.
• Multiple discussions on growth of the college in various areas (dual enrollment, inmate education, outreach, expansion of sites, etc.)
• Multiple discussions on how to make things “equitable”.
• Review of BC position responsibilities in comparison to counterpart positions at sister colleges.
• Multiple committee votes to rank the various proposed new positions and possible title changes.
• In-depth discussions on the justifications for various positions.
• Frequent but brief updates to College Council with current status and timeline.

Note: The “proposed” assumes we were to fill all 10 new positions. This chart does not take into account the proposed title changes although the impact would be minor.
Proposed Title Changes

**Explanation** of committee definition of “Title Changes”

2. Submission to HR for review.
3. 3rd party pointing of position.
4. Advertising and hiring of position.
5. Do not re-hire previous position.

Note: Staff in current position would still have to apply for new position.
Completed Title Changes

Title changes that were necessary but happened after previous Administrative Review but prior current Comprehensive Review

Program Manager, CDC → Program Director, CDC
Director, Rural Initiatives → Executive Director, Rural Initiatives
Managers, Food Services → Director, Food Services
Stipends

- There is already a history of using stipends when additional load has been demonstrated.
- Currently VP’s at BC get a stipend because of their workload compared to our sister colleges.
- Currently M&O Director receives a stipend because of additional workload.
- Currently used with faculty that take on special projects.

Recommendation:
Utilize stipends as a way of compensating managers who take on large projects well outside of their normal job description.
