

Shoshanna Kukuliev

Feb 15, 2017

Letter of Intent BSGA

To whom it may concern,

My name is Shoshanna Kukuliev and I am writing to apply for the position of Parliamentarian for the BSGA at Bakersfield College.

I am interested in this position because I believe that I have the necessary experience to perform the duties required of this position. Having served as a Senator for the Student Senate of California Community Colleges, I was exposed to many workshop on Roberts rules and the Brown Act. I have a good understanding of the two and part of my job was to give presentation on them. In addition, I have read and edited constitutions for local, regional and state organizations. I believe my understanding of parliamentary procedure will be a huge advance for this position.

Furthermore, I have experience working with student government on a local level. I held the position of president and student trustee over the 2 years I attended Taft College. Those positions gave me skills that I cherish today. It taught me how to represent and voice the students needs, act as a leader for students, and how to organize events beneficial to students. Being student trustee also taught me a lot about what goes into improving and sustaining the college.

Student Government is present on campus to be a voice for the students, even if they don't know that SGA exists. Students who run student government are there to keep all the constituents in mind when trying to make our college a better place. Student Government is a place where students can make a difference in various areas around campus, and can bring actual change to the college.

Shoshanna Kukuliev

May 15, 2017

Dear Bakersfield College S.G.A,

As Director of Activities I want to create and plan events that stimulate a sense of community within our vast diversity of students. My plan for this year is to create events that allow students to experience different areas of life that their peers share. To me this could mean a greater emphasis on activities that shed the light on other cultures and backgrounds but also events that express other student's hobbies and interest.

I also intend to work with other organizations on our campus. Being the Director this last school year has helped me realize that there are many active organizations that have brilliant ideas but just need help with details such as planning or funding. I think that paired with my strengths when it comes to events, Bakersfield College has an amazing potential for sharing ideas and creating an environment where students feel accepted and more than that welcomed.

I will use my learned experience as Director of Activities to properly plan meetings so that the execution of events goes as smooth as possible. And while I have had a lot of experience being the Director I still wish to continue to grow and introduce new and exciting possibilities for the student body.

I truly believe that something as simple as an event can change the outlook students have towards Bakersfield College and transform this campus into something students can be inspired from and feel a part of. It is the reason that I am so dedicated and excited to apply for this position and to become a part of the Bakersfield College Student Government Association. An association dedicated to impact and change the lives of the student body.

Thank you for your time.

▶ Erik Garcia-Gregorio

Education

Bakersfield College (2015-Present)

Date: 28 April 2017

Bakersfield College: Student Government Association
Letter of Intent

Dear Office of Student Life Advisor:

My name is Manuel Zavala and I am applying for the position of Director of Finance. Being a first-generation student has proven to be a struggle when having to learn new skills or traits. In the past acquiring new skill was provided through the public-school system, but now I have come to realize that in the real world these skills must be sought out on your own accord. Having been a part of the Student Government Association at Bakersfield College (BCSGA) has shown me how important some skills are such as: improvement on time management skills, the importance of student involvement, and Roberts Rules of Order. Being a Director of Finance, a person the president can rely on, would allow me to further improve upon myself, as well as becoming further involved with the community.

A Civil Engineer is a person that works to design, create, and improve upon a community. Studying to become a Civil Engineer require higher-level of mathematic skills as well as communication skills. No Engineer works independently, rather working cooperatively in groups with various mindsets. Having taken engineering classes, enable me to be able to hold a valid group discussion regarding a topic, and will prove to be an asset to the association.

Bakersfield College has a student government to voice the opinions of the student body. It is the BCSGA's duty to collect the student's opinions and voice them clearly of what is expected of Bakersfield College. Without a government, the student body's voice would be neglected and would create an environment that is not suitable to fit a student's needs.

Sincerely,

Manuel Zavala
Applicant for Director of Finance

Manuel Zavala II

Jose Manuel Cortez

Jose.cortez4511@email.bakersfieldcollege.edu

Dear Bakersfield College SGA:

My name is Jose M, Cortez and I am applying for the position of Director of Legislative Affairs. I have had the experiences of being a part of the Department of Legislative Affairs. I have also had experience being a delegate and a part of SSCCC. I believe to be an affective Director of Legislative Affairs you to cater to the students and others who are affected by legislative laws that come into play throughout the school year.

There are a lot of things that come along with the position of director. Things such as being a delegate for your college and representing your college on a regional and state level. Also keeping the students update with state and legislative laws by holding events and workshops to keep the students informed. I know I have the work ethic, ability, and confidence in my strengths and weaknesses to be an affective director. I will follow the agenda of ALL students to make sure they have what they need to succeed in our Bakersfield College community.

Sincerely,

Jose m, Cortez

OBJECTIVE

- Graduate College
- Get a AA in Fire Technology
- Get a AS in Wildfire Technology
- Finish Wildland Basic Training and Fire Academy
- Become an experienced firefighter/Senior Firefighter
- Become a Fire Technology Professor

- Keep the Program area running smoothly
- Helped Fellow students with school work and keeping them motivated

Bakersfield College Student Government, Bakersfield, CA Senator, August 2016 - Present

- Write Resolutions and put them into effect
- Create and run events for the community

EDUCATION

Bakersfield College, Bakersfield, CA AA Fire Technology/AS Wildfire Technology, August 2016 - Present

- Student Government Association
- Founder and President of Renegade Self-Defense and Awareness Club
- Vice President of Students for Civic Engagement and Renegade Impact
- General Assembly Chosen Delegate
- Take part conferences and General Assemblies

Letter of Intent for Position of B.C.S.G.A. S.O.F. Grant Manager

Greetings B.C.S.G.A.:

My name is Nicolas Montero-Garcia and I am about to enter my third and last year at Bakersfield College. My second year at Bakersfield College was spent as a BCSGA Senator and the president of the Bakersfield College Red Cross Club; however, I want my third year at BC to be exclusively in service of a BCSGA S.O.F. grant manager because I feel it is my obligation to assist the campus in the best way I possibly can, am a competent and qualified individual for this job and believe that Bakersfield College has a student government because it is the duty of the campus to ensure that the concerns of students are funneled to administrators in order to improve the quality of the student experience at Bakersfield College.

I have assisted in making a better Bakersfield College in the past year through my service as a senator on the Department Student Organizations and my service as the President of the Bakersfield College Red Cross Club. Through these activities, I have become well-oriented with the system in which student organizations operate and how they are governed. Furthermore, I have enjoyed working with the current and student organization manager, Dontae Smith and believe that if selected for this position, I will work more diligently and effectively since there will be excellent workplace chemistry between us.

I am currently pursuing an economics degree and becoming the S.O.F. grant manager will enhance my knowledge of finance through a hands-on experience and will serve as practice given my current knowledge in business, economics and student organizations. I am well versed in elementary economic theory, have taken accounting classes at Bakersfield College, have taken

business classes at Bakersfield College earned my real estate salesperson's license on 11/30/16, founded the BC Red Cross club, and during the summer of 2017, will be interning for Majority Leader McCarthy which will further expand my knowledge of the office workplace and gathering information to use towards the benefit of any organization that I work for. Based on these qualifications, I know that I am a formidable candidate for the position of S.O.F. grant manager.

The final reason why I chose to apply for this position is because working for B.C.S.G.A. will make the greatest difference on campus. B.C.S.G.A. is the heart and soul of the campus; the very best and brightest that BC has to offer work in the office and I genuinely enjoy working for and with every single one of them. I could not picture my life at BC without interacting with this heartwarming and hard working group of individuals. These individuals form B.C.S.G.A. and through them, the voice of the students are channeled to those who hardly interact with students. B.C.S.G.A. serves as a source of joy on campus but more importantly, it serves as a window to the life of students that is necessary in making BC a better place for all. Without B.C.S.G.A., administrators would be lost a void of surveys and speculations about the struggle of many Bakersfield College Students.

Nicolas Montero-Garcia

Dear Bakersfield College Student Government Association,

Thank you for the opportunity to apply for the Legislative Affairs manager role at your Student Body. After reviewing your job description, it's clear that you're looking for a candidate that is extremely familiar with the responsibilities associated with the role, and can perform them confidently. Given these requirements. I am certain that I have the necessary skills to successfully do the job adeptly and perform above expectations.

I am a hard-working college student (2.15 GPA. Business Administration) currently attending Bakersfield College. During my academic career, I also managed to accrue nearly 2 years of work experience. I had the privilege of working for Kern School Federal Credit Union in a Customer Service Representative Intern role in my free time, where I learned valued professional skills such as customer service and recently I was a student representative for Measure J during the Election 2016, my position is to encourage students to support on Measure J of funding Kern Community Colleges : Bakersfield College, Porterville College and Cero Ceso Community College for repairing classrooms and construct new building for our students I . In both my academic and professional life. I have been consistently praised as efficient by my professor and peers. Whether working on academic, extracurricular, or professional projects. I apply proven leadership' multitasking, and proficient language skills, which I hope to leverage into Legislative Affairs Manager role at your Student Body Government.

After reviewing my resume. I hope you will agree that I am of competent and competitive candidate you are looking for. I hope forward to elaborate on how my specific skills and abilities will benefit your organization. Please contact me at (661) 809-9481 or via email at Christopher.cruz7777@email.bakersfieldcollege.edu to arrange for a convenient meeting time.

Thank you for consideration, and I look forward to hearing from you soon.

Sincerely,

Christopher Cruz

REFERENCES Available Upon Request

My name is Rayven Webb; I have been a student here at Bakersfield College for two years and would now like to apply for the Student Government Association position of Public Relations Manager. I'm also a double major here at the college focusing on Engineering Technician and American Sign Language. I have one year of previous experience as a PR manager, and what I can offer is a persistent attitude that will allow me to have a consist need and want to educate myself on the things I don't know or understand until I do and then do them well.

I continue to be involved with my campus staff and fellow students. I want to help again create a louder voice for all who attend and reach out within all areas of the school. I think it's most important that all Renegades know that their opinions and concerns matter. I'd like to utilize my ability to listen and help get the ball rolling in areas in which people have found themselves stuck or felt neglected.

I will try my best to help generate change that benefits all attending Bakersfield College and would be honored if selected for this position so that I may be one step closer to my personal goal of helping BC continue to thrive.

Rayven Webb
